Meeting Summary

The Agency is making decisions on the hospital outpatient prospective payment system methodology using a Governance Committee model. This committee has been formed and held its second meeting on September 16, 2015. The decisions that have been made are outlined below.

Decisions from 09/16/2015 meeting:

- The Governance committee approved the recommendation to develop an OPPS model using EAPGs.
- Remove free standing dialysis centers, hospice and free standing independent labs from the provider types included in the simulation.
- Add Ambulatory Surgical Centers (ASCs) to the provider types included in the simulation.
- The Governance Committee approved the recommendation to not include a wage index adjustment in the simulation.

The next Governance Committee meeting will be held on October 15, 2015.
