“Neglect” of an adult means the failure or omission on the part of the caregiver to provide the care, supervision, and services necessary to maintain the physical and behavioral health of the vulnerable adult, including but not limited to food, clothing, medicine, shelter, supervision, and medical services, that a prudent person would consider essential for the well-being of the vulnerable adult. Section II. General Overview

A. Background

Florida has offered Medicaid services since 1970. Medicaid provides health care coverage for eligible children, seniors, disabled adults and pregnant women. It is funded by both the state and federal governments. The 2011 Florida Legislature passed House Bill 7107 (creating part IV of Chapter 409, F.S.) to establish the Florida Medicaid program as a statewide, integrated managed care program for all covered services, including long-term care services. This program is referred to as Statewide Medicaid Managed Care (SMMC) and includes two programs: one for Managed Medical Assistance (MMA) and one for Long-term Care (LTC).

B. Purpose

Under the SMMC program, the Agency for Health Care Administration contracts with Managed Care Plans, as defined in Section I, Definitions and Acronyms, to provide services to recipients.

The provisions in this Contract and the terms of the applicable federal waivers apply to all Managed Care Plans unless specifically noted otherwise. 28. The Managed Care Plan shall meet all financial requirements established by this Contract and report financial information, including but not limited to quarterly and annual financial statements, in accordance with Section XIV, Reporting Requirements, the Managed Care Plan Report Guide and other Agency instructions. The Managed Care Plan shall verify that information it submits to the Agency is accurate, truthful, and complete in accordance with 42 CFR 438.606.
29. The plan readiness review may include, but is not limited to, desk and onsite review of plan policies and procedures and corresponding documents, the Managed Care Plan's provider network and corresponding Contracts, a walk-through of the Managed Care Plan's operations, system demonstrations, and interviews with Plan staff. The scope of the plan readiness review may include any and all Contract requirements, as determined by the Agency.  - b. If the Managed Care Plan does not meet the plan readiness review deadlines established by the Agency for its respective Region, the following options may be exercised by the Agency:
 - (1) The Agency may grant an extension for the Managed Care Plan to correct deficiencies; however, the Managed Care Plan will lose the initial enrollment of eligible recipients into the affected region(s) and will lose its transition enrollment, if applicable; and /or

B. Enrollment

1. General Provisions

- a. Only Medicaid recipients who meet eligibility requirements and are living in a region with authorized Managed Care Plans are eligible to enroll and receive services from the Managed Care Plan.
- b. Each recipient shall have a choice of Managed Care Plans and may select any authorized Managed Care Plan unless the Managed Care Plan is restricted by this Contract to a specific population that does not include the recipient.
- c. The Agency or its enrollment broker shall be responsible for enrollment, including enrollment into the Managed Care Plan, disenrollment, and outreach and education activities. The Agency will use an established algorithm to assign mandatory potential enrollees who do not select a Managed Care Plan during their choice period. The process may differ for MMA Managed Care Plans and Comprehensive LTC Managed Care Plans as required by 409.977, F.S. and s. 409.984, F.S. and any other state law and federally approved State Plan amendments and/or waivers. - f. Conditioned on continued eligibility, mandatory enrollees have a lock-in period of up to twelve (12) consecutive months. After an initial one hundred twenty (120)-day change period, mandatory enrollees may disenroll from the Managed Care Plan only for cause. The Agency or its enrollment broker will notify enrollees at least once every twelve (12) months, and for mandatory enrollees at least sixty (60) days before the lock-in period ends that an open enrollment period exists giving them an opportunity to change Managed Care Plans. Mandatory enrollees who do not make a change during open enrollment will be deemed to have chosen to remain with the current Managed Care Plan, unless that Managed Care Plan no longer participates. In that case, the enrollee will be transitioned to a new Managed Care Plan.
- g. Enrollment in a Managed Care Plan may be effective on the first calendar day of the month following an approved plan change.

Section III. Eligibility and Enrollment

- h. The Agency will automatically reinstate an enrollee into the Managed Care Plan in which the person was most recently enrolled if the enrollee has a temporary loss of eligibility. In this instance, for mandatory enrollees, the lock-in period will continue as though there had been no break in eligibility, keeping the original twelve (12)-month period.
 - (1) For MMA Managed Care Plans, the “temporary loss period” is defined as no more than one hundred eighty (180) days.
 - (2) For Comprehensive LTC Managed Care Plans, the “temporary loss period” is defined as no more than sixty (60) days for recipients with LTC benefits and one hundred eighty (180) days for recipients without LTC benefits.
- i. If a temporary loss of eligibility causes the enrollee to miss the open enrollment period, the Agency will enroll the person in the Managed Care Plan in which he or she was enrolled before loss of eligibility. The enrollee will have one hundred twenty (120) days from enrollment to disenroll without cause.

2. Enrollment in an MMA Specialty Plan

- a. In addition to meeting the eligibility requirements listed in this section, a Specialty Plan may enroll eligible recipients who meet specific criteria by age, medical condition and/or diagnoses as defined in the Section III.A of the applicable Specialty Plan Exhibit.
- b. The Agency or its agent will be responsible for identifying the defined specialty population and enrollment of such recipients in a Specialty Plan in accordance with this section. Clinical assessment and/or referral may be required to determine eligibility for Specialty Plan enrollment, as defined in Section III.B of the applicable Specialty Plan Exhibit.
 - (1) If clinical assessment and/or referral are required to be conducted by the Specialty Plan to determine eligibility for Specialty Plan enrollment, as defined in this Contract, the Specialty Plan shall establish and maintain policies and procedures to accomplish such assessments and /or referrals.
 - (2) The Specialty Plan shall submit clinical assessments and/or referral policies and procedures for approval by the Agency on an annual basis, at a date determined by the Agency.
 - (3) The Agency reserves the right to make adjustments to administrative data or other mechanisms used to identify recipients eligible to enroll in a Specialty Plan.

3. Verification of Enrollment

- a. The Managed Care Plan shall review its X12-834 enrollment files to ensure that all enrollees are eligible to receive services from the Managed Care Plan, including that:
 - (1) Each enrollee of the Managed Care Plan is residing in the same region in which they were enrolled; and

Section III. Eligibility and Enrollment

- b. The Managed Care Plan shall notify the Agency of any discrepancies in enrollment, including enrollees not residing in the same region in which they were enrolled and enrollees not eligible for the Managed Care Plan, within five (5) business days of receipt of the enrollment file.

4. Notification of Enrollee Pregnancy

- a. Upon notification that an enrollee is pregnant or has given birth to a newborn, the Managed Care Plan shall notify DCF in a manner prescribed by the Agency.
- b. MMA and Comprehensive LTC Managed Care Plans shall notify DCF and follow the unborn activation and newborn enrollment processes in accordance with the MMA Exhibit.

5. Enrollment Levels

- a. The Agency does not guarantee that the Managed Care Plan will receive any particular enrollment level.

6. Temporarily Stopping or Limiting Enrollment

- a. The Managed Care Plan may ask the Agency to halt or reduce enrollment temporarily for any enrollment amount above the Agency's set regional enrollment limit if continued enrollment would exceed the Managed Care Plan's capacity to provide required services under the Contract. The Agency may not approve or may also limit Managed Care Plan enrollments when such action is considered to be in the Agency's best interest in accordance with the provisions of this Contract.
- b. For MMA Managed Care Plans, if a request to halt or reduce enrollment temporarily is received and approved by the Agency, it shall not affect the enrollment of newborns as specified in the MMA Exhibit.

C. Disenrollment

1. General Provisions

- a. The Agency will notify enrollees of their right to request disenrollment. The Agency will process all disenrollments from the Managed Care Plan. The Agency or its agent will make final determinations about granting disenrollment requests and will notify the Managed Care Plan by file transfer and the enrollee by surface mail of any disenrollment decision. Enrollees dissatisfied with an Agency determination may request a Medicaid Fair Hearing.
- b. An enrollee may request disenrollment at any time by submitting an oral or written request to the Agency. The Agency or its enrollment broker performs disenrollment as follows:

Section III. Eligibility and Enrollment

- (1) For good cause, at any time.
 - (2) Without cause, for mandatory enrollees at the times specified in Section III. C.4.
 - (3) Without cause, for voluntary enrollees at any time.
- c. The Managed Care Plan shall ensure that it does not restrict the enrollee's right to disenroll voluntarily in any way.
- d. The Managed Care Plan or its subcontractors, providers or vendors shall not provide or assist in the completion of a disenrollment request or assist the Agency's enrollment broker in the disenrollment process.
- e. The Managed Care Plan shall ensure that enrollees who are disenrolled and wish to file an appeal have the opportunity to do so. All enrollees shall be afforded the right to file an appeal on disenrollment except for the following reasons:
- (1) Moving out of the region;
 - (2) Loss of Medicaid eligibility;
 - (3) Determination that an enrollee is in an excluded population, as defined in this Contract; or
 - (4) Enrollee death.

2. Disenrollment Due to Enrollee Change of Region

On the first day of the month after receiving notice from FMMIS that the enrollee has moved to another region, the Agency will automatically disenroll the enrollee from the Managed Care Plan and treat the recipient as if the recipient is a new Medicaid recipient eligible to choose another Managed Care Plan pursuant to the Agency's enrollment process (see s. 409.969(2)d., F.S.) but without having to be placed on the long term care wait list if enrolled in an LTC Managed Care Plan.

3. Disenrollment for Good Cause

- a. A mandatory enrollee may request disenrollment from the Managed Care Plan for cause at any time. Such request shall be submitted to the Agency or its enrollment broker.
- b. The following reasons constitute cause for disenrollment from the Managed Care Plan:
 - (1) The enrollee does not live in a region where the Managed Care Plan is authorized to provide services, as indicated in FMMIS.
 - (2) The provider is no longer with the Managed Care Plan.

Section III. Eligibility and Enrollment

- (4) A substantiated marketing violation has occurred.
- (5) The enrollee is prevented from participating in the development of his/her treatment plan/plan of care.
- (6) The enrollee has an active relationship with a provider who is not on the Managed Care Plan's panel, but is on the panel of another Managed Care Plan. "Active relationship" is defined as having received services from the provider within the six months preceding the disenrollment request.
- (7) The enrollee is in the wrong Managed Care Plan as determined by the Agency.
- (8) The Managed Care Plan no longer participates in the region.
- (9) The state has imposed intermediate sanctions upon the Managed Care Plan, as specified in 42 CFR 438.702(a)(4).
- (10) The enrollee needs related services to be performed concurrently, but not all related services are available within the Managed Care Plan network, or the enrollee's PCP has determined that receiving the services separately would subject the enrollee to unnecessary risk.
- (11) The Managed Care Plan does not, because of moral or religious objections, cover the service the enrollee seeks.
- (12) The enrollee missed open enrollment due to a temporary loss of eligibility.
- (13) Other reasons per 42 CFR 438.56(d)(2) and s. 409.969(2), F.S., including but not limited to: poor quality of care; lack of access to services covered under the Contract; inordinate or inappropriate changes of PCPs; service access impairments due to significant changes in the geographic location of services; an unreasonable delay or denial of service; lack of access to providers experienced in dealing with the enrollee's health care needs; or fraudulent enrollment.

c. Voluntary enrollees may disenroll from the Managed Care Plan at any time.

4. Disenrollment without Cause

- a. A mandatory enrollee subject to open enrollment may submit to the Agency or its enrollment broker a request to disenroll from the Managed Care Plan. This may be done without cause at the following times:
 - (1) During the one hundred twenty (120) days following the enrollee's initial enrollment, or the date the Agency or its enrollment broker sends the enrollee notice of the enrollment, whichever is later;
 - (2) At least every twelve (12) months during a recipient's annual open enrollment period;

Section III. Eligibility and Enrollment

- (3) During the one hundred twenty (120) days following the enrollee's re-enrollment if a temporary loss of eligibility causes the enrollee to miss the open enrollment period.
 - (4) When the Agency or its enrollment broker grants the enrollee the right to terminate enrollment without cause (done on a case-by-case basis); and
 - (5) During the thirty (30) days after the enrollee is referred for hospice services in order to enroll in another Managed Care Plan to access the enrollee's choice of hospice provider.
- b. Voluntary enrollees not subject to open enrollment may disenroll without cause at any time.

5. Involuntary Disenrollment

- a. With proper written documentation, the Managed Care Plan may submit involuntary disenrollment requests to the Agency or its enrollment broker in a manner prescribed by the Agency.
- b. The following are acceptable reasons for which the Managed Care Plan may submit involuntary disenrollment request:
 - (1) Fraudulent use of the enrollee identification (ID) card. In such cases the Managed Care Plan shall notify MPI of the event.
 - (2) Falsification of prescriptions by an enrollee. In such cases the Managed Care Plan shall notify MPI of the event.
 - (3) The enrollee's behavior is disruptive, unruly, abusive or uncooperative to the extent that enrollment in the Managed Care Plan seriously impairs the organization's ability to furnish services to either the enrollee or other enrollees.
 - (a) This provision does not apply to enrollees with medical or mental health diagnoses if the enrollee's behavior is attributable to the diagnoses.
 - (b) An involuntary disenrollment request related to enrollee behavior must include documentation that the Managed Care Plan:
 - (i) Provided the enrollee at least one (1) oral warning and at least one (1) written warning of the full implications of the enrollee's actions;
 - (ii) Attempted to educate the enrollee regarding rights and responsibilities;
 - (iii) Offered assistance through care coordination/case management that would enable the enrollee to comply; and
 - (iv) Determined that the enrollee's behavior is not related to the enrollee's medical or mental health condition.

Section III. Eligibility and Enrollment

- c. The Managed Care Plan shall not request disenrollment of an enrollee due to:
 - (1) Health diagnosis;
 - (2) Adverse changes in an enrollee's health status;
 - (3) Utilization of medical services;
 - (4) Diminished mental capacity;
 - (5) Pre-existing medical condition;
 - (6) Uncooperative or disruptive behavior resulting from the enrollee's special needs (with the exception of Section III.C.5.b.(3)(b));
 - (7) Attempt to exercise rights under the Managed Care Plan's grievance and appeal system; or
 - (8) Request of a provider to have an enrollee assigned to a different provider out of the Managed Care Plan.
- d. The Managed Care Plan shall promptly submit such disenrollment requests to the Agency. In no event shall the Managed Care Plan submit a disenrollment request at such a date as would cause the disenrollment to be effective later than forty-five (45) days after the Managed Care Plan's receipt of the reason for involuntary disenrollment. The Managed Care Plan shall ensure that involuntary disenrollment documents are maintained in an identifiable enrollee record.
- e. When the Managed Care Plan requests an involuntary disenrollment, it shall notify the enrollee in writing that the Managed Care Plan is requesting disenrollment, the reason for the request, and an explanation that the Managed Care Plan is requesting that the enrollee be disenrolled in the next Contract month, or earlier if necessary. Until the enrollee is disenrolled, the Managed Care Plan shall be responsible for the provision of services to that enrollee.
- f. All requests will be reviewed on a case-by-case basis and subject to the sole discretion of the Agency. Any request not approved is final and not subject to Managed Care Plan dispute or appeal.

6. Effective Date of Disenrollment

- a. The effective date of an approved disenrollment shall be the last calendar day of the month in which disenrollment was made effective by the Agency or its enrollment broker. In no case shall disenrollment be later than the first calendar day of the second month following the month in which the enrollee or the Managed Care Plan files the disenrollment request. If the Agency or its enrollment broker fails to make a disenrollment determination within this timeframe, the disenrollment is considered approved as of the date Agency action was required.
- b. When disenrollment is necessary because an enrollee loses Medicaid eligibility,

Section III. Eligibility and Enrollment

disenrollment shall be at the end of the month in which eligibility was lost.

D. Marketing

1. General Provisions

- a. The Managed Care Plan shall not market nor distribute any marketing materials without first obtaining Agency approval.
- b. - h. In accordance with s. 409.912, F.S., marketing to potential enrollees in State offices is prohibited unless approved in writing and approved by the affected state agency when solicitation occurs in the office of another state agency. The Agency shall ensure that marketing agents marketing in state offices market to potential enrollees only in designated areas and in such a way as to not interfere with the Medicaid recipients' activities in the State office. The Managed Care Plan shall not use any other State facility, program, or procedure in the recruitment of potential enrollees except as authorized in writing by the Agency. Request for approval of activities at State offices must be submitted to the Agency at least thirty (30) days prior to the activity.

4. Marketing of Multiple Lines of Business

- a. Pursuant to 42 CFR 438.104(b)(1)(iv), the Managed Care Plan shall not influence enrollment in conjunction with the sale or offering of any private insurance. However, the Managed Care Plan may market other lines of business (both health-related and non-health-related), other than private insurance, provided that such marketing materials are in compliance with applicable state law governing the other lines of business.
- b. - e. The Managed Care Plan shall ensure that all marketing agents (including employed agents) are trained and tested annually on state and federal requirements and on details specific to the Managed Care Plan. The Managed Care Plan shall ensure that its training and testing programs are designed and implemented in a way that maintains the integrity of the training and testing and shall provide this information to the Agency upon request.

 - (3) Telephonic or electronic solicitation, including leaving electronic voicemail messages or text messaging.
- b. If the Managed Care Plan has a pre-scheduled personal/individual marketing appointment that becomes a "no-show," the Managed Care Plan may leave information at the no-show recipient's residence.
- c. If the Managed Care Plan receives permission to call or otherwise contact a potential enrollee, the Managed Care Plan shall treat the permission as event-specific and shall not interpret the permission as an open-ended permission to contact the potential enrollee after the potential enrollee's inquiry or questions have been answered by the Managed Care Plan.

7. Telephonic Activities and Scripts

- a. The Managed Care Plan may contact enrollees at any time to discuss Managed Care Plan business. The Managed Care Plan shall not engage in the following telephonic activities:
 - (1) Bait-and-switch strategies - making unsolicited calls about other business as a means of generating leads for the Managed Care Plan.
 - (2) Calls based on referrals. If an enrollee would like to refer a friend or relative to the Managed Care Plan, the Managed Care Plan may provide contact information such as a business card that the enrollee may give to the friend or family member. In all cases, a referred individual needs to contact the Managed Care Plan directly.
 - (3) Calls to former enrollees or to enrollees who are in the process of voluntarily disenrolling, for the purpose of marketing the Managed Care Plan or other products.
 - (4) Calls to potential enrollees who attended a marketing event, unless the potential enrollee gave express permission at the event for a follow-up call

Section III. Eligibility and Enrollment

(including documentation of permission to be contacted).

- (5) Calls to potential enrollees to confirm receipt of marketing material.
- b. The Managed Care Plan may do the following:
- (1) Contact its enrollees to discuss enrollee educational events.
 - (2) Contact its enrollees to conduct normal business related to enrollment in the Managed Care Plan.
 - (3) Call former enrollees within one month after the disenrollment effective date to conduct disenrollment surveys for quality improvement purposes. Such disenrollment surveys shall be approved by the Agency before Managed Care Plan implementation. Disenrollment surveys may be done by phone or sent by mail, but the Managed Care Plan shall ensure that neither calls nor mailings include marketing material.
 - (4) Call potential enrollees who have expressly given permission for the Managed Care Plan to contact them, for example, by filling out a business reply card or asking an enrollee service representative to have a marketing agent contact them.
 - (5) Return phone calls or messages from potential enrollees, as these are not unsolicited.
- c. The Managed Care Plan's spoken scripts (scripts designed to respond to potential enrollee questions and requests and provide objective information about the Managed Care Plan and SMMC) shall not ask the recipient if he or she wants to be transferred to a marketing agent. The Managed Care Plan shall not automatically transfer calls from the enrollee help line or other published telephone contact number to a marketing agent. The Managed Care Plan shall only transfer calls to a marketing agent at the proactive request of the potential enrollee.
- d. The Managed Care Plan shall clearly inform the potential enrollee of any change in the nature of a call from informational to marketing. This shall be done with the full and active concurrence of the potential enrollee with a yes/no question.
- e. The Managed Care Plan may not:
- (1) Include information about other lines of business in scripts.
 - (2) Request potential enrollee identification numbers except as required to verify enrollment or determine enrollment eligibility.
 - (3) Use language in scripts that implies the Managed Care Plan is endorsed by the Agency, calling on behalf of the Agency, or that the Agency asked the Managed Care Plan to call the recipient.
- f. Any marketing scripts must be prior approved by the Agency. The Managed Care Plan shall submit all marketing scripts verbatim (bullets or talking points are

unacceptable).

8. Standards for Written Marketing Materials

- a. The Managed Care Plan shall ensure that all marketing materials comply with the standards for written materials specified in Section IV.A.
- b. The Managed Care Plan shall ensure that all marketing materials include the statement that the Managed Care Plan contracts with the Agency. The Managed Care Plan shall use the following statement as the contracting statement: “[insert Managed Care Plan’s legal or marketing name] is a Managed Care Plan with a Florida Medicaid contract.” The Managed Care Plan shall not modify the statement and shall include the statement either in the text of the piece or at the end/bottom of the piece.
- c. The Managed Care Plan shall include the following disclaimers in any marketing materials that include information on benefits:
 - (1) “The benefit information provided is a brief summary, not a complete description of benefits. For more information contact the Managed Care Plan.”
 - (2) “Limitations, copayments, and restrictions may apply.”
 - (3) “[Benefits, formulary, pharmacy network, premium and/or co-payments/co-insurance] may change.”
- d. If there are any changes or corrections made to marketing materials, the Managed Care Plan shall correct those materials for prospective enrollees and may be required by the Agency to send errata sheets/addenda/reprints to current enrollees.
- e. The Managed Care Plan shall include a TTY number in conjunction with the Managed Care Plan’s toll-free enrollee help line number. This requirement does not apply to outdoor advertising, banner/banner-like ads, radio ads, or marketing scripts.

9. Regional Distribution of Marketing Materials

- a. If the Managed Care Plan markets, it shall distribute marketing materials to the entire region served by the Managed Care Plan.
- b. The Managed Care Plan shall not advertise outside of its service area unless such advertising is unavoidable. For situations in which this cannot be avoided (e.g., advertising in print or broadcast media with a statewide audience or with an audience that includes some individuals outside of the region), the Managed Care Plan shall clearly disclose its service area.
- c. If the Managed Care plan is a joint enterprise, it shall market the Managed Care Plan under a single name throughout the region.

10. Use of Superlatives in Marketing Materials

- a. The Managed Care Plan may not use absolute superlatives (e.g., “the best,” “highest

Section III. Eligibility and Enrollment

ranked,” “rated number 1”), unless they are substantiated with supporting data provided to the Agency as a part of the marketing review process.

- b. The Managed Care Plan may use statements in its logos and in its product tag lines (e.g., “Your health is our major concern,” “Quality care is our pledge to you,” ”). The Managed Care Plan shall not use superlatives in logos/product tag lines (e.g., “XYZ plan means the first in quality care” or “XYZ Plus means the best in managed care”).

11. References to Studies

- a. The Managed Care Plan may only compare itself to another Managed Care Plan by referencing an independent study. If the Managed Care Plan references a study in any marketing material, it must provide the following information, either in the text or as a footnote, on the marketing material:
 - (1) The source and date of the study.
 - (2) Information about the Managed Care Plan’s relationship with the entity that conducted the study including funding source.
 - (3) The study sample size and number of Managed Care Plans surveyed (unless the study that is referenced is a CMS or Agency study).
 - (4) Reference information (e.g., publication, date, page number).
- b. The Managed Care Plan shall not compare itself to another Managed Care Plan by name unless it has written concurrence from all Managed Care Plans being compared. The Managed Care Plan shall include this documentation when the marketing material is submitted to the Agency as part of the marketing review process.

12. Product Endorsements/Testimonials

- a. The Managed Care Plan shall not pay or compensate potential enrollees in any way to endorse or promote the Managed Care Plan. The Managed Care Plan shall ensure that all product endorsements and testimonials adhere to the following:

- c. An enrollee may offer endorsement of the Managed Care Plan, provided the enrollee is a current enrollee and voluntarily chooses to endorse the Managed Care Plan. Any endorsement or testimonial cannot use any quotes by potential enrollees.

Section III. Eligibility and Enrollment

- d. The endorsement or testimonial cannot use negative testimonials about other Managed Care Plans.

13. Promotional Activities and Nominal Gifts

- a. The Managed Care Plan may use nominal gifts to attract the attention of potential enrollees as long as the gifts are of nominal value and provided regardless of enrollment. The Managed Care Plan shall obtain Agency approval before distributing any nominal gifts.
- b. The Managed Care Plan shall follow the following rules when providing nominal gifts:
 - (1) If a nominal gift is one large gift that is enjoyed by all in attendance (e.g., a concert), the total retail cost must be fifteen dollars (**\$15**) or less when it is divided by the estimated attendance. For planning purposes, anticipated attendance may be used, but must be based on venue size, response rate, or advertisement circulation.
 - (2) Nominal gifts may not be in the form of cash or other monetary rebates. Cash gifts are prohibited even if their worth is less than fifteen dollars (**\$15**). Cash gifts include charitable contributions made on behalf of potential enrollees, and those gift certificates and gift cards that can be readily converted to cash, regardless of dollar amount.
- c. The Managed Care Plan shall ensure that any promotional activities or items offered by the Managed Care Plan:
 - (1) Are offered to all individuals regardless of enrollment and without discrimination;
 - (2) Are not items that are considered a health benefit (e.g., a free checkup);
 - (3) Do not consist of lowering or waiving co-payments;
 - (4) Are not used or included with the enrollee handbook;
 - (5) Do not inappropriately influence the enrollee's selection of a provider, practitioner, or supplier of any item or service; and
 - (6) Are not tied directly or indirectly to the provision of any other covered item or service.
- d. The Managed Care Plan shall track and document nominal gifts given to enrollees. The Managed Care Plan is not required to track nominal gifts distributed during pre-enrollment marketing activities on a per person basis; however, the Managed Care Plan shall not structure pre-enrollment activities with the intent to give potential enrollees or enrollees gifts in excess of a maximum value of fifty dollars (**\$50**) per person, per year.
- e. The Managed Care Plan may use promotional activities to attract the attention of potential enrollees and/or encourage retention of current enrollees.

Section III. Eligibility and Enrollment

- f. The Managed Care Plan shall not provide meals (or have meals subsidized) at marketing or educational events.
- g. The Managed Care Plan shall include a written statement on all marketing materials promoting drawings, prizes or any promise of a free gift that there is no obligation to enroll in the Managed Care Plan. For example: “Eligible for a free drawing and prizes with no obligation.” or “Free drawing without obligation.”

14. Marketing Events

- a. At marketing events, the Managed Care Plan may discuss Managed Care Plan-specific information. All marketing events shall be reported to the Agency, as specified in Section XIV, Reporting Requirements, and the Managed Care Plan Report Guide.
- b. There are two main types of marketing events – formal and informal.
 - (1) Formal marketing events are typically structured in an audience/presenter style with the Managed Care Plan formally providing specific Managed Care Plan information via a presentation on the products being offered.
 - (2) Informal marketing events are conducted with a less structured presentation or in a less formal environment. They typically utilize a table, kiosk or a recreational vehicle (RV) that is staffed by a Managed Care Plan marketing agent who can discuss the merits of the Managed Care Plan.
- c. The Managed Care Plan shall submit all marketing scripts and written marketing material for approval to the Agency prior to their use during a marketing event.
- d. The Managed Care Plan shall obtain Agency approval prior to conducting any marketing events.
- e. The Managed Care Plan shall ensure that advertisements and invitations to marketing events (in any form of media) used to invite recipients to attend a group session include the following two statements on marketing materials:

 - (2) “For accommodation of persons with special needs at marketing events call <insert phone and TTY number>.”
- f. At a marketing event, the Managed Care Plan shall not:
 - (1) Conduct health screening or other like activities that could give the impression of “biased selection.”
 - (2) Require potential enrollees to provide any contact information as a prerequisite for attending the event. This includes requiring an email address or any other contact information as a condition to RSVP for an event online or through mail. The Managed Care Plan shall clearly indicate on any sign-in sheets that

Section III. Eligibility and Enrollment

completion of any contact information is optional.

- g. The Managed Care Plan shall not use personal contact information obtained for any other purpose than to notify potential enrollees of raffle or drawing winnings.
- h. The Managed Care Plan shall notify the Agency of any change of plan attendance in advance of the scheduled event, including event cancellation and instances where the event is not cancelled but the Managed Care Plan has decided not to attend. In addition, the Managed Care plan shall take the following actions to notify potential enrollees:
 - (1) If a marketing event is cancelled or the Managed Care Plan has decided not to attend less than forty-eight (48) hours before its originally scheduled date and time, the Managed Care Plan shall ensure a Managed Care Plan representative is present at the site of the event, at the time that the event was scheduled to occur, to inform potential enrollees of the cancellation or decision not to attend, and distribute information about the Managed Care Plan. The representative should remain onsite at least fifteen (15) minutes after the scheduled start of the event. If the event was cancelled due to inclement weather, a Managed Care Plan representative is not required to be present at the site.
 - (2) If a marketing event is cancelled or the Managed Care Plan decides not to attend more than forty-eight (48) hours before the originally scheduled date and time, the Managed Care Plan shall notify potential enrollees of the cancellation or decision by the Managed Care Plan not to attend through same means the Managed Care Plan used to advertise the event. A representative is not required to be present at the site.
- i. The Managed Care Plan may conduct, participate, or sponsor public events provided that the Managed Care Plan does not conduct marketing, including the distribution of marketing material, at such events. Such events must be held in a public venue and the Managed Care Plan shall ensure that events are not held at in-home or one-on-one settings. Participation in public events shall be reported to the Agency, as specified in Section XIV, Reporting Requirements, and the Managed Care Plan Report Guide. At such events, the Managed Care Plan may distribute public event materials. The Managed Care Plan may not:
 - (1) Discuss Managed Care Plan-specific benefits.
 - (2) Distribute Managed Care Plan-specific materials.
 - (3) The Managed Care Plan may conduct the following permissible activities at public events:
 - (a) Distribute public event material with the Managed Care Plan name, logo, product tag line, telephone contact number and/or website.

Section III. Eligibility and Enrollment

that nominal gifts are free of benefit information and consistent with the requirements of nominal gift specified in Section III.D.13 of this Contract.

- (c) Display promotional material such as banners, posters or other displays with the Managed Care Plan name, logo, product tag line, telephone contact number and/or website.

15. Personal/Individual Marketing Appointments

- a. All personal/individual marketing appointments with potential enrollees are considered marketing events, and all marketing materials used for personal/individual appointments shall be kept in a log and reported to the Agency, as specified in Section XIV, Reporting Requirements, and the Managed Care Plan Report Guide.
- b. During a personal/individual marketing appointment, the Managed Care Plan shall not:
 - (1) Discuss products that were not agreed to by the potential enrollee.
 - (2) Market any health care related product beyond the scope agreed upon by the potential enrollee, and documented by the Managed Care Plan, prior to the appointment.
 - (3) Market non-health care related products (such as annuities or life insurance).
 - (4) Ask a potential enrollee for referrals.
- c. During a personal/individual marketing appointment, the Managed Care Plan shall only discuss those products that have been agreed upon by the potential enrollee for that appointment. If other products need to be discussed at the request of the potential enrollee, the Managed Care Plan shall document a second scope of appointment for the new product type and then the marketing appointment may be continued.
- d. Each scope of appointment for a personal/individual marketing event must be documented either in writing, in the form of a signed agreement by the potential enrollee, or a recorded oral agreement. The Managed Care Plan is allowed and encouraged to use a variety of technological means to fulfill the requirement to document each scope of appointment requirement, including conference calls, fax machines, designated recording line, pre-paid envelopes, and email, etc.
- e. A potential enrollee may set a scope of appointment at a marketing event for a future personal/individual marketing appointment.
- f. The Managed Care Plan shall submit all business reply cards for documenting potential enrollee scope of appointment or agreement to be contacted to the Agency. The Managed Care Plan should include a statement on the business reply card informing the potential enrollee that a marketing agent may call as a result of the potential enrollee returning a business reply card.

Section III. Eligibility and Enrollment

- g. In instances where a potential enrollee visits the Managed Care Plan on his/her own accord, the Managed Care Plan shall document the scope of appointment prior to discussing the Managed Care Plan.

16. Marketing in the Health Care Setting

- a. The Managed Care Plan shall not conduct marketing activities in health care settings except in common areas. Common areas where marketing activities are allowed include areas such as hospital or nursing home cafeterias, community or recreational rooms, and conference rooms. If a pharmacy counter area is located within a retail store, common areas would include the space outside of where patients wait for services or interact with pharmacy providers and obtain medications.
- b. The Managed Care Plan shall not conduct marketing in areas where patients primarily intend to receive health care services or are waiting to receive health care services. These restricted areas generally include, but are not limited to, waiting rooms, exam rooms, hospital patient rooms, dialysis center treatment areas (where patients interact with their clinical team and receive treatment), and pharmacy counter areas (where patients interact with pharmacy providers and obtain medications). The prohibition against conducting marketing activities in health care settings extends to activities planned in health care settings outside of normal business hours.
- c. The Managed Care Plan shall only schedule personal/individual marketing appointments with potential enrollees residing in long-term care facilities (including nursing facilities and assisted living facilities) upon request by the potential enrollee.

17. Provider-Based Marketing Activities

- a. The Managed Care Plan shall ensure, through provider education, outreach and monitoring that its providers are aware of and comply with the following: Providers are permitted to make available and/or distribute Managed Care Plan marketing materials as long as the provider and/or the facility distributes or makes available marketing materials for all Managed Care Plans with which the provider participates. The Agency does not expect providers to proactively contact all Managed Care Plans; rather, if a provider agrees to make available and/or distribute Managed Care Plan marketing materials it should do so knowing it must accept future requests from other Managed Care Plans with which it participates. Providers are also permitted to display posters or other materials in common areas such as the provider's waiting room. Additionally, long-term care facilities are permitted to provide materials in admission packets announcing all Managed Care Plan contractual relationships.
- b. The Managed Care Plan shall ensure, through provider education, outreach and monitoring that its providers are aware of and comply with the following:
 - (1) To the extent that a provider can assist a potential enrollee in an objective assessment of his/her needs and potential options to meet those needs, the provider may do so. Providers may engage in discussions with potential enrollees should a potential enrollee seek advice. However, the provider shall remain neutral when assisting with enrollment decisions.

Section III. Eligibility and Enrollment

 - (b) Providers may make new affiliation announcements within the first thirty (30) days of the new provider contract.
 - (c) Providers may make one announcement to patients of a new affiliation that names only the Managed Care Plan when such announcement is conveyed through direct mail, email, or phone.

Section III. Eligibility and Enrollment

- (d) Additional direct mail and/or email communications from providers to their patients regarding affiliations must include a list of all Managed Care Plans with which the provider contracts.
 - (e) Any affiliation communication materials that include Managed Care Plan-specific information (e.g., benefits, formularies) must be prior approved by the Agency.
- c. Multiple Managed Care Plans can either have one Managed Care Plan submit marketing material on behalf of all the other Managed Care Plans, or have the marketing material submitted and approved by the Agency prior to use for each Managed Care Plan. Materials that indicate the provider has an affiliation with certain Managed Care Plans and that only list Managed Care Plan names, logos, product tag lines, telephone contact numbers and/or websites do not require Agency approval.
- d. Providers may distribute printed information provided by the Managed Care Plan to their patients comparing the benefits of all of the different Managed Care Plans with which the providers contract. The Managed Care Plan shall ensure that:
- (1) Materials do not “rank order” or highlight specific Managed Care Plans and include only objective information.
 - (2) Such materials have the concurrence of all Managed Care Plans involved in the comparison and are approved by the Agency prior to distribution.
 - (3) The Managed Care Plans identify a lead Managed Care Plan to coordinate submission of the materials.

- b. When enrollee materials are returned to the Managed Care Plan as undeliverable, the Managed Care Plan shall re-mail the materials to the enrollee residence address provided by the Agency if that address is different from the payee address. The Managed Care Plan shall use and maintain in a file a record of all of the following methods to contact the enrollee:

The Managed Care Plan shall ensure that all mailings include one of these four mailing statements. The Managed Care Plan shall not modify these mailing statements and shall use them verbatim. The Managed Care Plan may meet this requirement through the use of ink stamps or stickers, in lieu of pre-printed statements. The Agency does not require resubmission of envelopes based only on a change in the envelope size. If the Managed Care Plan uses the same mailing

Section IV. Enrollee Services and Grievance and Appeal System

- b. New enrollee materials are not required for a former enrollee who was disenrolled because of the loss of Medicaid eligibility and who regains eligibility within their temporary loss period, as specified in Section III.B.1.h., and is automatically reinstated in the Managed Care Plan, unless there was change in enrollee materials or the provider directory during the timeframe in which the recipient was disenrolled.
- c. A notation of the effective date of the reinstatement is to be made on the most recent application or conspicuously identified in the enrollee's administrative file.

Acceptable performance under this section will be determined using the initial performance measure submission, due July 1, with its corresponding attestation of accuracy and completeness. In the event that the Managed Plan later determines the submission contained errors, the Agency may consider using the updated data for public reporting purposes. In that instance, the earliest submission will apply. Likewise, eligibility for incentives and/or pay-for-performance initiatives will be determined based on the initial submission unless subsequent submissions indicate that the July 1 submission had inflated performance ratings.

Section IX. Method of Payment

A. Fixed Price Unit Contract

1. This is a fixed price (unit cost) Contract awarded through procurement. The Agency, through its fiscal agent, shall make payment to the Managed Care Plan on a monthly basis for the Managed Care Plan's satisfactory performance of its duties and responsibilities as set forth in this Contract.

B. Payment Provisions

1. Capitation Rates

- a. The Agency shall pay the applicable capitation rate for each eligible enrollee whose name appears on the HIPAA-compliant X12 820 file for each month, except that the Agency shall not pay for, and shall recoup, any part of the total payment for enrollment that exceeds the maximum authorized enrollment level(s) expressed in Attachment I, as applicable. The total payment amount to the Managed Care Plan shall depend upon the number of enrollees in each eligibility category and each rate group, as provided for by this Contract, or as adjusted pursuant to the Contract when necessary. The Managed Care Plan is obligated to provide services pursuant to the terms of this Contract for all enrollees for whom the Managed Care Plan has received capitation payment or for whom the Agency has assured the Managed Care Plan that capitation payment is forthcoming.
- b. In accordance with ss. 409.968, 409.976 and 409.983, F.S., the capitation rates reflect historical utilization and spending for covered services projected forward and will be adjusted to reflect the level of care profile (risk) for enrollees in each Managed Care Plan.
- c. The Agency shall not include utilization and expenditures for services by a provider outside the United States in the development of capitation rates.
- d. The rates shall be actuarially sound in accordance with 42 CFR 438.6(c).
- e. Pursuant to s. 409.966(3)(d), F.S., for the first year of the first Contract term, the Agency shall negotiate capitation rates in order to guarantee savings of at least five percent (5%). Determination of the amount of savings shall be calculated by comparison to the Medicaid rates that the Agency paid Managed Care Plans for similar populations in the same areas in the prior year. In a region without any capitated plans in the prior year, savings shall be calculated by comparison to the Medicaid rates established and certified for those regions in the prior year. After the first year no further rate negotiations will be conducted.
- f. The base capitation rates prior to risk adjustment are included in Attachment I, titled **"ESTIMATED MANAGED CARE PLAN RATES; NOT FOR USE UNLESS APPROVED BY CMS."**
- g. The Agency may use, or may amend and use these rates, only after certification by its actuary and approval by the Centers for Medicare and Medicaid Services.

Section IX. Method of Payment

Inclusion of these rates is not intended to convey or imply any rights, duties or obligations of either party, nor is it intended to restrict, restrain or control the rights of either party that may have existed independently of this section of the Contract.

- h. By signature on this Contract, the parties explicitly agree that this section shall not independently convey any inherent rights, responsibilities or obligations of either party, relative to these rates, and shall not itself be the basis for any cause of administrative, legal or equitable action brought by either party. In the event that the rates certified by the actuary and approved by CMS are different from the rates included in this Contract, the Managed Care Plan agrees to accept a reconciliation performed by the Agency to bring payments to the Managed Care Plan in line with the approved rates. The Agency may amend and use the CMS-approved rates by notice to the Managed Care Plan through an amendment to the Contract.
- i. Unless otherwise specified in this Contract, the Managed Care Plan shall accept the capitation payment received each month as payment in full by the Agency for all services provided to enrollees covered under this Contract and the administrative costs incurred by the Managed Care Plan in providing or arranging for such services. Any and all costs incurred by the Managed Care Plan in excess of the capitation payment shall be borne in total by the Managed Care Plan.
- j. The Agency shall pay a retroactive capitation rate for each newborn enrolled in an MMA or Comprehensive LTC Managed Care Plan retroactive to the month of birth. (See s. 409.977(3), F.S.) The Managed Care Plan is responsible for payment of all covered services provided to newborns.
- k. The Agency shall pay an MMA or Comprehensive LTC Managed Care Plan kick payments as specified in the MMA exhibit for the following covered services for enrollees who are not also eligible for Medicare:
 - (1) Heart, liver, and lung transplant; and
 - (2) Obstetrical delivery services.
- l. The Agency shall prospectively adjust the base capitation rates for Comprehensive LTC Managed Care Plans in accordance with the LTC Exhibit.

2. Rate Adjustments and Reconciliations

- a. The Managed Care Plan and the Agency acknowledge that the capitation rates paid under this Contract are subject to approval by the federal government.
- b. The Managed Care Plan and the Agency acknowledge that adjustments to funds previously paid, and to funds yet to be paid, may be required. Funds previously paid shall be adjusted when capitation rate calculations are determined to have been in error, or when capitation rate payments have been made for enrollees who are determined not to have been eligible for Managed Care Plan membership during the period for which the capitation rate payments were made. In such events, the Managed Care Plan agrees to refund any overpayment and the Agency agrees to pay any underpayment.

Section IX. Method of Payment

- c. Pursuant to ss. 409.983(6) and 409.983(7), F.S., the Agency shall reconcile a Managed Care Plan's actual payments to nursing facilities, including patient responsibility, and hospices for enrollees with LTC benefits as specified in the LTC exhibit.
- d. Pursuant to s. 409.976(2), F.S., the Agency shall reconcile a Managed Care Plan's actual payments to SIPP's for enrollees with MMA benefits to ensure actual claim payments are, at a minimum, the same as Medicaid FFS claim payments. The Managed Care Plan accepts and assumes all risks of excess payments as a cost of doing business.
- e. The Agency shall adjust capitation rates to reflect budgetary changes in the Medicaid program. The rate of payment and total dollar amount may be adjusted with a properly executed amendment when Medicaid expenditure changes have been established through the appropriations process and subsequently identified in the Agency's operating budget. Legislatively-mandated changes shall take effect on the dates specified in the legislation. The Agency may not approve any Managed Care Plan request for a rate increase unless sufficient funds to support the increase have been authorized in the General Appropriations Act. (See s. 409.968(3), F.S.).
- f. In accordance with s. 409.967(3), F.S., the Agency shall verify the Managed Care Plan's achieved savings rebate specified in this Contract.

3. Errors

The Managed Care Plan shall carefully prepare all reports and monthly payment requests for submission to the Agency. If after preparation and electronic submission, the Managed Care Plan discovers an error, including but not limited to errors resulting in capitated payments above the Managed Care Plan's authorized levels, either by the Managed Care Plan or the Agency, the Managed Care Plan has thirty (30) days from its discovery of the error, or thirty (30) days after receipt of notice by the Agency, to correct the error and re-submit accurate reports and/or invoices. Failure to respond within the thirty (30)-day period shall result in a loss of any money due to the Managed Care Plan for such errors and/or sanctions against the Managed Care Plan pursuant to Section XI, Sanctions.

4. Enrollee Payment Liability Protection

- a. Pursuant to s. 1932(b)(6), Social Security Act (as enacted by section 4704 of the Balanced Budget Act of 1997), the Managed Care Plan shall not hold enrollees liable for debts of the Managed Care Plan, in the event of the Managed Care Plan's insolvency;
- b. Managed Care Plan shall not hold enrollees liable for payment of covered services provided by the Managed Care Plan if the Managed Care Plan has not received payment from the Agency for the covered services (excluding Medicaid Pending LTC enrollees who are determined ineligible for Medicaid as specified in this Contract), or if the provider, under contract or other arrangement with the Managed Care Plan, fails to receive payment from the Agency or the Managed Care Plan; and/or
- c. Managed Care Plan shall not hold enrollees liable for payments to a provider,

Section IX. Method of Payment

including referral providers, that furnished covered services under a contract or other arrangements with the Managed Care Plan, that are in excess of the amount that normally would be paid by the enrollee if the covered services had been received directly from the Managed Care Plan.

5. Achieved Savings Rebate

The CPA will review the Managed Care Plan's response and issue final results. These results are dispositive.
- f. The Agency will provide the final results of the audit to the Managed Care Plan, and the Managed Care Plan shall pay the rebate to the Agency within thirty (30) days after the results are provided.
- g. The achieved savings rebate is established by determining pretax income as a percentage of revenues and applying the following income ratios:

- h. As further specified in the Managed Care Plan Report Guide, for purposes of the achieved savings rebate:
 - (1) Pretax income is defined as pre-tax revenue minus those expenses permitted in the Managed Care Plan Report Guide.
 - (2) Revenue includes but is not limited to all capitation premium payments made by the State to the Managed Care Plan. Revenue does not include additions to, or components of, premium payments made to provide funds for payment of the ACA Section 9010 Health Insurance Providers Fee, or the additional amounts to provide for the payment of state premium taxes or federal income tax on such amounts. Section IX. Method of Payment

the Managed Care Plan in accordance with the requirements of this Contract. Any state premium tax or other state assessment based on premium that is treated as a reduction to premium revenue cannot be included in the allowable expenses. In accordance with s. 409.967(3)(h), F.S., the following expenses are not allowable expenses for purposes of determining the pre-tax income subject to the achieved savings rebate:

- (a) Payment of achieved savings rebates;
 - (b) Any financial incentive payments made to the Managed Care Plan outside of the capitation rate;

 - j. In accordance with s. 409.967(3)(i), F.S., if the Managed Care Plan incurs a loss in the first year of operation subject to the achieved saving rebate, it may apply the full amount of such loss as an offset to income in the second year. If the Managed Care Plan elects to carry forward such a loss, then the life-years of coverage for the first year of coverage will also carry over to the second year.
 - m. In accordance with s. 409.967(3)(j), F.S., if the Agency later determines that the Managed Care Plan owes an additional rebate, the Managed Care Plan shall have thirty (30) days after notification by the Agency to make payment. If the Managed Care Plan fails to pay the rebate, the Agency will withhold future payments until the entire amount of the rebate is recouped. If the Agency determines that the Managed Care Plan made an overpayment, the Agency will return the overpayment within thirty (30) days of such determination.
 - l. If the Managed Care Plan purchases part or all of the business of another managed care plan, the Managed Care Plan's information and reports regarding its achieved savings rebate shall include information for the purchased business, including for that part of the reporting period that was prior to the purchase.
 - m. If the Managed Care Plan's enrollment in the reporting period is greater than or equal to five thousand (5,000) life-years but fewer than seventy-five thousand (75,000) life-years, the Agency will make a credibility-based adjustment to the amount of pre-tax income that is fully retained by the Managed Care Plan. If the Managed Care Plan's enrollment in a reporting period is fewer than five thousand (5,000) life-years, the

Section IX. Method of Payment

Managed Care Plan shall not owe a rebate for the reporting period. However, the information from that reporting period shall be carried over and included with information for the next reporting period. When the cumulative life-years of such combined reporting periods equal or exceed five thousand (5,000) life-years, the achieved saving rebate calculation will be performed subject to the credibility-based adjustment using the combined life-years.

- n. If the Agency determines that payment of an achieved savings rebate by the Managed Care Plan would result in the Managed Care Plan being put at significant risk of insolvency, the Agency may defer all or a portion of the rebate payment owed by the Managed Care Plan.

Section IX. Method of Payment

The Achieved Savings Rebate shall be calculated in accordance with s. 409.967(3)(f), F.S., as illustrated below.

Note: The following three (3) increments shall be applied to the Managed Care Plan's (Plan's) pre-tax income (AKA: net operating income [NOI])

Achieved Savings Rebates Table – Effective 1/1/2014 – 12/31/2018			
	NOI Range Category	Amount Managed Care Plans will retain	Amount Managed Care Plans will be required to refund to the Agency
I	NOI ranging from Zero (0) up to and including five percent (5%) of the Managed Care Plan's premium revenue:	Managed Care Plans will retain 100% of NOI within this range.	Managed Care Plans will not be required to refund any of their NOI within this range.
II	NOI above five percent (5%) and up to and including ten percent (10%) of the Managed Care Plan's premium revenue:	Managed Care Plans will retain 50% of the NOI within this range.	Managed Care Plans will be required to refund 50% of the NOI within this range.
III	NOI above ten percent (10%) of the Managed Care Plan's premium revenue:	Managed Care Plans will not be allowed to retain any of the NOI within this range.	Managed Care Plans will have to refund to the Agency 100% of the NOI within this range.

Example: If the Managed Care Plan's premium revenues are **\$1,000,000** and allowed expenses are **\$850,000**, the Managed Care Plan has a pre-tax net operating income (NOI) of **\$150,000**. The NOI is calculated to be 15% of premium revenue (NOI/Revenue):

NOI Range as Percent of Revenue	Plan retains	Plan refunds to the State
0.00% to 5.00% = \$50,000.00	100% of NOI within this range \$50,000.00	0% of NOI within this range: \$0.00
5.00% to 10.00% = \$50,000.00	50% of NOI within this range \$25,000.00	50% of NOI within this range: \$25,000.00
above 10.00% = \$50,000.00	0% of NOI within this range \$0.00	100% of NOI within this range: \$50,000.00
TOTAL = \$150,000.00	\$75,000.00	\$75,000.00

In addition, if the Contract is terminated or not renewed and the Managed Care Plan is unable to pay all of its outstanding debts to health care providers, the Agency and the Managed Care Plan agree to the court appointment of an impartial receiver for the purpose of administering and distributing the funds contained in the insolvency protection account. An appointed receiver shall give outstanding debts owed to the Agency priority over other claims.

In the event the Contract is terminated or not renewed and the Managed Care Plan is insolvent, the Agency may draw upon the insolvency protection account to pay any outstanding debts the Managed Care Plan owes the Agency, including but not limited to overpayments made to the Managed Care Plan, and fines imposed under the Contract, for which a final order has been issued. In addition, if the Contract is terminated or not renewed and the Managed Care Plan is unable to pay all of its outstanding debts to health care providers, the Agency and the Managed Care Plan agree to the court appointment of an impartial receiver for the purpose of administering and distributing the funds contained in the insolvency protection account. An appointed receiver shall give outstanding debts owed to the Agency priority over other claims.

2. Insolvency Protection Account Waiver

The Agency may waive the insolvency protection account in writing when evidence of adequate insolvency insurance and reinsurance are on file with the Agency to protect enrollees in the event the Managed Care Plan is unable to meet its obligations.

3. Insolvency Protection Investment Option

- a. At the discretion and upon written permission granted by the Agency, a Managed Care Plan that has fully funded their restricted insolvency protection account in accordance with Section X, A. 1.a., and has met surplus requirements in accordance with Section X. B.2. for the previous six consecutive quarters may invest the full value of the required insolvency protection account balance in United States Treasury Securities (Securities) which are backed by the full faith and credit of the United States government through the utilization of a custodial account at a federally guaranteed financial institution licensed to do business in Florida in accordance with s. 1903(m)(1) of the Social Security Act (amended by s. 4706 of the Balanced Budget Act of 1997), and s. 409.912, F.S. A listing of approved Securities is specified in the table below. Securities held in the custodial account shall not be pledged to any entity other than the Agency and trading on margin shall be prohibited.
- b. The Managed Care Plan shall safeguard against potential losses in value by depositing an additional amount equal to the estimated decrease in account value that would occur for a 100 basis points (1%) increase in the Federal Funds rate. The amount of this deposit shall be approved by the Agency upon account inception and can be held in either Securities or cash.

The monthly account valuation shall include a complete transaction history of purchased and/or sold Securities within the reporting period, the custodial investment insolvency protection account balance, and shall take into consideration all factors that may affect the total value of the custodial investment insolvency protection account. In the event that the total value of the custodial investment insolvency protection account is less than the required insolvency protection account balance at any time, the Managed Care Plan shall make a capital contribution in the form of cash and/or Securities within five (5) business days equal to the difference between the current value and the required insolvency protection account balance. Documentation evidencing this contribution shall be included with the monthly valuation. Should the Managed Care Plan fail to maintain the required insolvency protection account balance, the Agency, at its sole discretion, reserves the right to require the Managed Care Plan to re-establish a restricted insolvency protection account in accordance with Attachment II, Section X.A.1.
 - e. The Agency, at its sole discretion, may require the plan to re-establish a restricted insolvency protection account in accordance with Attachment II, Section X.A.1. The re-established account shall be funded by the liquidated proceeds of all Securities held in the Insolvency Protection Investment account at the time the Agency required its re-establishment, plus any additional cash required to fully fund the account on its opening.
 - f. Upon receipt of the executed Multiple Signature Verification Agreement for Custody Arrangements, the Managed Care Plan can initiate the purchase or sale of Securities with only the Managed Care Plan's authorized representatives' signatures provided that the Securities sold or purchased are in accordance with the Agency's guidelines of approved Securities as listed in the table below, and the transaction results in an equal amount of incoming cash or Securities on the same day of the transaction. - h. If the Contract is terminated, expired, or not renewed, the custodial investment insolvency protection account balance shall be released by the Agency to the Managed Care Plan upon receipt of proof of satisfaction of all outstanding obligations incurred under this Contract.
- i. In the event the Contract is terminated, not renewed and/or the Managed Care Plan is declared insolvent, the Agency may draw upon or initiate the sale of Securities from the investment insolvency protection account to pay any outstanding debts the Managed Care Plan owes the Agency, including but not limited to overpayments made to the Managed Care Plan, and fines imposed under the Contract or, for HMOs, s. 641.52, F.S., for EPOs, s. 627, F.S., and for health insurers, s. 624, F.S. Covered third party collections include only recoveries initiated within one year after the Managed Care Plan's claims payment date for the cost of covered services incurred by the Managed Care Plan on behalf of an enrollee for services that should have been paid through a third party. The Managed Care Plan shall be considered to have initiated a recovery by filing a claim of lien in a court of law or filing a claim for reimbursement with the liable third party for the full amount of medical assistance provided.  - (2) If the Managed Care Plan has determined that third party liability exists for part or all of the services provided to an enrollee by a subcontractor or referral provider, and the third party is reasonably expected to make payment within one hundred twenty (120) days, the Managed Care Plan may pay the subcontractor or referral provider only the amount, if any, by which the subcontractor's allowable claim exceeds the amount of the anticipated third party payment; or, the Managed Care Plan may assume full responsibility for third party collections for service provided through the subcontractor or referral provider.
 - (3) The Managed Care Plan may not withhold payment for services provided to an enrollee if third party liability or the amount of liability cannot be determined, or if payment shall not be available within a reasonable time, beyond one hundred twenty (120) days from the date of receipt.

2. Entities regulated by the Department of Financial Services, Office of Insurance Regulation (OIR), must comply with provisions of s. 628.4615, F.S., and receive OIR approval before a merger or acquisition can occur.

The State may not delay the imposition of temporary management to provide a hearing, and may not terminate the temporary management until it determines that the Managed Care Plan can ensure that the sanctioned behavior will not reoccur;

Performance Measure Sanction Table – Effective 8/01/2014 – 8/31/2019	
HEDIS Measures	Rate and applicable sanction
Call Answer Timeliness	Rate < 25 th percentile - immediate monetary sanction and PMAP may be imposed Rate < 50 th percentile - PMAP may be required

In addition to the payment of costs, departing PSNs shall pay a per-enrollee penalty of up to three (3) months' payment and continue to provide services to enrollees for ninety (90) days or until the enrollee is enrolled in another Managed Care Plan, whichever occurs first. In addition to payment of costs, all other departing Managed Care Plans must pay a penalty of twenty-five percent (25%) of that portion of the minimum surplus maintained pursuant to s. 641.225(1), F.S., which is attributable to the provision of coverage to Medicaid enrollees. The exclusive venue of any legal or equitable action that arises out of or relating to the Contract, including an appeal of the final decision of the Deputy Secretary or his/her designee, will be Circuit Court in Leon County, Florida; in any such action, the Managed Care Plan agrees to waive its right to a jury trial, and that the Circuit Court can only review the final decision for reasonableness, and Florida law shall apply. The Agency need not prove the damage amount in exercising its right of recourse against the bond.

H. Agency Contract Management

1. The Agency shall be responsible for management of the Contract. Contract management shall be conducted in good faith, with the best interest of the state and the Medicaid recipients it serves being the prime consideration. The Agency shall make all statewide policy decisions or Contract interpretations. The Managed Care Plan may seek an interpretation from the Agency of any Contract requirement or Medicaid policy. When an interpretation of the contract is sought, the Managed Care Plan shall submit a written request to the Agency's Deputy Secretary for Medicaid.
2. The terms of this Contract do not limit or waive the ability, authority or obligation of the Office of Inspector General, MPI, its contractors, DOEA, or other duly constituted government units (state or federal) to audit or investigate matters related to, or arising out of this Contract.

Section XII. Special Terms and Conditions

3. The Contract shall be amended only as follows (unless specified elsewhere in this Contract):
 - a. The parties cannot amend or alter the terms of this Contract without a written amendment and/or change order to the Contract.
 - b. The Agency and the Managed Care Plan understand that any such written amendment to amend or alter the terms of this Contract shall be executed by an officer of each party, who is duly authorized to bind the Agency and the Managed Care Plan.
 - c. The Agency reserves the right to amend this Contract within the scope set forth in the procurement (to include original Contract and all attachments) in order to clarify requirements or if it is determined by the Agency that modifications are necessary to better serve or provide covered services to the eligible population.

I. Disputes

1. To dispute an interpretation of the Contract, the Managed Care Plan must request that the Agency's Deputy Secretary for Medicaid hear and decide the dispute. The Managed Care Plan must submit a written dispute of the Contract interpretation directly to the Deputy Secretary; by U.S. mail and/or commercial courier service (hand delivery will not be accepted); this submission must be received by the Agency within twenty-one (21) days after the interpretation of the Contract and shall include all arguments, materials, data, and information necessary to resolve the dispute (to include all evidence, documentation and exhibits). A Managed Care Plan submitting such written requests for appeal or dispute as allowed under the Contract by U.S. mail and/or commercial courier service, shall submit such appeal or dispute to the following mailing address:

Agency for Health Care Administration
Managed Care Appeals/Disputes, MS 70
2727 Mahan Drive
Tallahassee, FL 32308

The Managed Care Plan waives any dispute not raised within twenty-one (21) days of receiving a notice of the Contract interpretation. It also waives any arguments it fails to raise in writing within twenty-one (21) days of receiving a Contract interpretation, and waives the right to use any materials, data, and/or information not contained in or accompanying the Managed Care Plan's submission submitted within the twenty-one (21) days following its receipt of the notice of the Contract interpretation in any subsequent legal, equitable, or administrative proceeding (to include circuit court, federal court and any possible administrative venue).

designee, will be Circuit Court in Leon County, Florida; in any such action, the Managed Care Plan agrees to waive its rights to a jury trial, and that the Circuit Court can only review the final decision for reasonableness, and Florida law shall apply. In the event the Agency issues any action under Florida Statutes or Florida Administrative Code apart from this Contract, the Agency will notice the Managed Care Plan of the appropriate administrative remedy.

J. Indemnification

1. The Managed Care Plan, agrees to indemnify, defend, and hold harmless the Agency, as provided in this Clause.
2. Scope. The Duty to Indemnify and the Duty to Defend, as described herein (collectively known as the “Duty to Indemnify and Defend”), extend to any completed, actual, pending, or threatened action, suit, claim, or proceeding, whether civil, criminal, administrative, or investigative (including any action by or in the right of the Managed Care Plan), and whether formal or informal, in which the Agency is, was, or becomes involved and which in any way arises from, relates to, or concerns the Managed Care Plan’s acts or omissions related to this contract (inclusive of all attachments, etc.) (collectively “Proceeding”).
 - a. Duty to Indemnify. The Managed Care Plan agrees to hold harmless and indemnify the Agency to the full extent permitted by law against any and all liability, claims, actions, suits, judgments, damages, and costs of whatsoever name and description, including attorneys’ fees, arising from or relating to any Proceeding.
 - b. Duty to Defend. With respect to any Proceeding, the Managed Care Plan agrees to fully defend the Agency and shall timely reimburse all of the Agency’s legal fees and costs; provided, however, that the amount of such payment for attorneys’ fees and costs is reasonable pursuant to Rule 4–1.5, Rules Regulating the Florida Bar. The Agency retains the exclusive right to select, retain, and direct its defense through defense counsel funded by the Managed Care Plan pursuant to the Duty to Indemnify and Defend the Agency.
3. Expense Advance. The presumptive right to indemnification of damages shall include the right to have the Managed Care Plan pay the Agency’s expenses in any Proceeding as such expenses are incurred and in advance of the final disposition of such Proceeding.
4. Enforcement Action. In the event that any claim for indemnity, whether an Expense Advance or otherwise, is made hereunder and is not paid in full within sixty (60) days after written notice of such claim is delivered to the Managed Care Plan, the Agency may, but need not, at any time thereafter, bring suit against the Managed Care Plan to recover the unpaid amount of the claim (hereinafter “Enforcement Action”). In the event the Agency brings an Enforcement Action, the Managed Care Plan shall pay all of the Agency’s attorneys’ fees and expenses incurred in bringing and pursuing the Enforcement Action.
5. Contribution. In any Proceeding in which the Managed Care Plan is held to be jointly liable with the Agency for payment of any claim of any kind (whether for damages,

Section XII. Special Terms and Conditions

attorneys' fees, costs, or otherwise), if the Duty to Indemnify provision is for any reason deemed to be inapplicable, the Managed Care Plan shall contribute toward satisfaction of the claim whatever portion is or would be payable by the Agency in addition to that portion which is or would be payable by the Managed Care Plan, including payment of damages, attorneys' fees, and costs, without recourse against the Agency. No provision of this part, or of any other section of this contract (inclusive of all attachments, etc.), whether read separately or in conjunction with any other provision, shall be construed to: (i) waive the state or the Agency's immunity to suit or limitations on liability; (ii) obligate the state or the Agency to indemnify the Managed Care Plan for the Managed Care Plan's own negligence, or otherwise assume any liability for the Managed Care Plan's own negligence; or (iii) create any rights enforceable by third parties, as third party beneficiaries or otherwise, in law or in equity.

K. Public Records Requests

1. In accordance with s.119.0701, F.S., and notwithstanding Standard Contract, Section I, Item M., Requirements of Section 287.058, F.S., in addition to other contract requirements provided by law, the Managed Care Plan shall comply with public records laws, as follows:
 - a. The Managed Care Plan shall keep and maintain public records that ordinarily and necessarily would be required in order to perform services under the Contract;
 - b. The Managed Care Plan shall provide the public with access to public records on the same terms and conditions that the Agency would provide the records and at a cost that does not exceed the cost provided in s. 119.0701, F.S., or as otherwise provided by law;
 - c. The Managed Care Plan shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law;
 - d. The Managed Care Plan shall meet all requirements for retaining public records and transfer, at no cost, to the Agency all public records in possession of the Managed Care Plan upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the Agency in a format that is compatible with the information technology systems of the Agency.
 - e. If the Managed Care Plan does not comply with a public records request, the Agency shall enforce the Contract provisions in accordance with the Contract.

L. Communications

1. Notwithstanding any term or condition of this contract to the contrary, the Managed Care Plan bears sole responsibility for ensuring that its performance of this contract (and that of its subcontractors related to this contract) fully complies with all state and federal law governing the monitoring, interception, recording, use or disclosure of wire, oral or electronic communications, including but not limited to the Florida Security of Communications Act, §§ 934.01, et seq., F.S., and the Electronic Communications Privacy Act, 18 U.S.C. § 2510 et seq. (hereafter, collectively, "Communication Privacy

Section XII. Special Terms and Conditions

Laws”).

2. Prior to intercepting, recording or monitoring any communications which are subject to Communication Privacy Laws, the Managed Care Plan must:
 - a. Submit a plan which specifies in detail the manner in which the Managed Care Plan (and its subcontractors related to this contract) will ensure that such actions are in full compliance with Communication Privacy Laws (the “Privacy Compliance Plan”); and
 - b. Obtain written approval, signed and stamped by the Agency Contract Manager, of the Privacy Compliance Plan.
3. No modifications to an approved Privacy Compliance Plan may be implemented by the Managed Care Plan unless an amended Privacy Compliance Plan is submitted to the Agency, and written approval of the amended Plan is signed and notarized by the Agency Contract Manager. Agency approval of the Managed Care Plan’s Privacy Compliance Plan in no way constitutes a representation by the Agency that the Privacy Compliance Plan is in full compliance with applicable Communication Privacy Laws, or otherwise shifts or diminishes the Managed Care Plan’s sole burden to ensure full compliance with applicable Communication Privacy Laws in all aspects of the Managed Care Plan’s performance of this Contract. Violation of this term may result in sanctions to include termination of the contract and/or liquidated damages.

Section XIII. Liquidated Damages

A. Damages

1. If the Managed Care Plan breaches this Contract, the Agency will be entitled to monetary damages in the form of actual, consequential, direct, indirect, special, and/or liquidated damages. In some cases, the actual damage to the Agency as a result of the Managed Care Plan's failure to meet any aspect of the responsibilities of the Contract and/or to meet specific performance standards set forth in the Contract will be difficult or impossible to determine with precise accuracy. Therefore, in the event of a breach of this Contract, the Agency will impose liquidated damages in writing against the Managed Care Plan. The Agency will assess liquidated damages against the Managed Care Plan regardless of whether the breach is the fault of the Managed Care Plan (including the Managed Care Plan's subcontractors, agents and/or consultants), provided the Agency has not materially caused or contributed to the breach.
2. The liquidated damages prescribed in this section are not intended to be in the nature of a penalty, but are intended to be reasonable estimates of the Agency's projected financial loss and damage resulting from the Managed Care Plan's nonperformance, including financial loss as a result of project delays. Accordingly, in the event the Managed Care Plan fails to perform in accordance with the Contract, the Agency may assess liquidated damages as provided in this section.
3. If the Managed Care Plan fails to perform any of the services described in the Contract, the Agency may assess liquidated damages for each occurrence listed in the table in Section XIII.B. Any liquidated damages assessed by the Agency shall be due and payable to the Agency within thirty (30) days after the Managed Care Plan's receipt of the notice of damages, regardless of any dispute in the amount or interpretation which led to the notice. All interpretations of the Contract are handled by Deputy Secretary for Medicaid or his/her delegate.
4. The Agency may elect to collect liquidated damages:
 - a. Through direct assessment and demand for payment delivered to the Managed Care Plan; or
 - b. By deduction of amounts assessed as liquidated damages from, and as set-off against payments then due to the Managed Care Plan or that become due at any time after assessment of the liquidated damages. The Agency will make deductions until it has collected the full amount payable by the Managed Care Plan.
5. The Managed Care Plan will not pass through liquidated damages imposed under this Contract to a provider and/or subcontractor, unless the provider and/or subcontractor caused the damage through its own action or inaction. Nothing described herein shall prohibit a provider and/or a subcontractor from seeking judgment before an appropriate court in situations where it is unclear that the provider and/or the subcontractor caused the damage by an action or inaction.
6. All liquidated damages imposed pursuant to this Contract, whether paid or due, shall be paid by the Managed Care Plan out of administrative costs and profits.

Section XIII. Liquidated Damages

7. To dispute the imposition of liquidated damages, the Managed Care Plan must request that the Agency's Deputy Secretary for Medicaid or designee, hear and decide the dispute.

A Managed Care Plan submitting such written requests for appeal or dispute as allowed under the Contract by U.S. mail and/or commercial courier service, shall submit such appeal or dispute to the following mailing address:

Deputy Secretary for Medicaid
Agency for Health Care Administration
Managed Care Appeals/Disputes, MS 70
2727 Mahan Drive
Tallahassee, FL 32308
 - b. The Managed Care Plan waives any dispute not raised within twenty-one (21) days of receiving notice of the imposition of liquidated damages. It also waives any arguments it fails to raise in writing within twenty-one (21) days of receiving said notice, and waives the right to use any materials, data, and/or information not contained in or accompanying the Managed Care Plan's submission within the twenty-one (21) days following its receipt of the notice in any subsequent legal, equitable, or administrative proceeding (to include circuit court, federal court and any possible administrative venue).
8. The Deputy Secretary or his/her designee will decide the dispute under the reasonableness standard, reduce the decision to writing and serve a copy to the Managed Care Plan. This written decision will be final.
9. The exclusive venue of any legal or equitable action that arises out of or relating to the Contract, including an appeal of the final decision of the Deputy Secretary or his/her designee, will be Circuit Court in Leon County, Florida; in any such action, the Managed Care Plan agrees to waive its right to a jury trial, and that the Circuit Court can only review the final decision for reasonableness, and Florida law shall apply. In the event the Agency issues any action under Florida Statutes or Florida Administrative Code apart from this Contract, the Agency will notice the Managed Care Plan of the appropriate administrative remedy.
