Second Proportional Low Income Pool Payment to Eligible Hospitals
Medicaid Number: 0101231-00 HCCCB Number: 100140**

Dear Mr. Lee:

Your hospital has been determined eligible to receive the associated payment under proviso language contained in the general appropriations act for state fiscal year 2015-16. This proviso language calls for distribution of proportional amounts to primary care hospitals and rural hospitals.

Payments are made from fixed sums of money. Thus, any adjustments to a proportional amount received by one rural or primary care hospital can affect the amounts received by all other hospitals of the same type.

The total of this, your second scheduled payment (enclosed, if not electronically transferred), and any previous payments for this fiscal year, represents 50% of your projected annual amount of \$120,771 for state fiscal year 2015-16. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call Nicole Linn or Ryan Perry of my staff at (850) 412-4287.

Sincerely,

Your hospital has been determined eligible to receive the associated payment under proviso language contained in the general appropriations act for state fiscal year 2015-16. This proviso language calls for distribution of proportional amounts to primary care hospitals and rural hospitals.

Payments are made from fixed sums of money. Thus, any adjustments to a proportional amount received by one rural or primary care hospital can affect the amounts received by all other hospitals of the same type.

The total of this, your second scheduled payment (enclosed, if not electronically transferred), and any previous payments for this fiscal year, represents 50% of your projected annual amount of \$171,631 for state fiscal year 2015-16. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call Nicole Linn or Ryan Perry of my staff at (850) 412-4287.

Second Proportional Low Income Pool Payment to Eligible Hospitals

Dear Ms. Howard:

Your hospital has been determined eligible to receive the associated payment under proviso language contained in the general appropriations act for state fiscal year 2015-16. This proviso language calls for distribution of proportional amounts to primary care hospitals and rural hospitals.

Payments are made from fixed sums of money. Thus, any adjustments to a proportional amount received by one rural or primary care hospital can affect the amounts received by all other hospitals of the same type.

The total of this, your second scheduled payment (enclosed, if not electronically transferred), and any previous payments for this fiscal year, represents 50% of your projected annual amount of \$475,689 for state fiscal year 2015-16. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

Second Proportional Low Income Pool Payment to Eligible Hospitals
Medicaid Number: 0100072-00 HCCCB Number: 100103**

Dear Mr. Burish:

Your hospital has been determined eligible to receive the associated payment under proviso language contained in the general appropriations act for state fiscal year 2015-16. This proviso language calls for distribution of proportional amounts to primary care hospitals and rural hospitals.

Payments are made from fixed sums of money. Thus, any adjustments to a proportional amount received by one rural or primary care hospital can affect the amounts received by all other hospitals of the same type.

The total of this, your second scheduled payment (enclosed, if not electronically transferred), and any previous payments for this fiscal year, represents 50% of your projected annual amount of \$117,838 for state fiscal year 2015-16. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call Nicole Linn or Ryan Perry of my staff at (850) 412-4287.

Sincerely,

Tom Wallace, Bureau Chief,
