Dear Mr. Grossman:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Disproportionate Share Hospital (DSH) program as it applies to Provider Service Networks. This determination is made based on section 409.911, Florida Statutes, as enacted by the 1993 Legislature (subsequently amended), and in compliance with the requirements of federal law, including your certification that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

**RE: State Fiscal Year 2015 - 2016
Third Provider Service Network Disproportionate Share Payment
Medicaid Number: 0100676-00 HCCCB Number: 100001**

Dear Mr. Armistead:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Disproportionate Share Hospital (DSH) program as it applies to Provider Service Networks. This determination is made based on section 409.911, Florida Statutes, as enacted by the 1993 Legislature (subsequently amended), and in compliance with the requirements of federal law, including your certification that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

Payments are made proportionally, based on the number of Provider Service Network patient days for all qualified hospitals as specified in the General Appropriations Act for the current State Fiscal Year.

The total of your scheduled third quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 75% of your projected annual amount for the 2015 - 2016 fiscal year, based upon an annual appropriation of \$8,685,415. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.
