**RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0101231-00 HCCCB Number: 100140**

Dear Mr. Lee:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Mr. Stephen P. Lee
February 21, 2017

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call T.K. Feehrer or Ryan Perry of my staff at (850) 412-4131.

Dear Mrs. Baker:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. **RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0101800-00 HCCCB Number: 100106**

Dear Ms. Lescher:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Ms. Mary Lescher
February 21, 2017

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call T.K. Feehrer or Ryan Perry of my staff at (850) 412-4131.

**RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0101893-00 HCCCB Number: 100118**

Dear Mr. Domayer:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Mr. Cory Domayer
February 21, 2017

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call T.K. Feehrer or Ryan Perry of my staff at (850) 412-4131.

**RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0100862-00 HCCCB Number: 100098**

Dear Mr. Beasley:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call T.K. Feehrer or Ryan Perry of my staff at (850) 412-4131.

Second Rural Disproportionate Share Payment

Dear Mr. Rovito:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. Second Rural Disproportionate Share Payment

Dear Ms. Howard:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

**RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0101443-00 HCCCB Number: 100130**

Dear Ms. Davis:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Ms. Darcy J. Davis
February 21, 2017

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call T.K. Feehrer or Ryan Perry of my staff at (850) 412-4131.

Dear Mr. McGee:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Dear Mr. Freeburg:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. **RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0101907-00 HCCCB Number: 100147**

Dear Mr. Kozar:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Mr. Michael Kozar
February 21, 2017

Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

Dear Ms. Grafton:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Federal funds available for the Rural DSH program are limited. The total of the federal portion of annual DSH payments to all rural hospitals cannot be allowed to exceed this limit. Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. A separate special payment is included which represents your proportional share of unmatched state funds resulting from this limit having been reached. The procedure used to determine your portion of the RFAP, RDSH and the amount of your special payment is shown on the enclosed calculation sheet.

Also enclosed is a form to be completed and returned to us. If your hospital is owned by a county government and leased to a management company, please use the enclosed form to indicate how the RDSH funds allocated for your facility were spent. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. The form is for the enclosed second quarter RDSH payment for state fiscal year 2016-17. This form **must** be returned to us before any further RDSH payments can be mailed to your facility.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

**RE: State Fiscal Year 2016 - 2017
Second Rural Disproportionate Share Payment
Medicaid Number: 0100072-00 HCCCB Number: 100103**

Dear Mr. Burish:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The RFAP is based upon a fixed sum of money. Therefore, the annual distribution received by a hospital represents an amount proportional to the hospital's contribution for providing indigent and Medicaid care as compared to all other eligible rural hospitals, calculated in accordance with the above referenced Florida statute. Your hospital's payments reflect this proportional amount of indigent and Medicaid care based upon the \$4,755,010 appropriated by the Florida Legislature for the RFAP for state fiscal year 2016-17. In addition, your hospital has met federal requirements mentioned above and therefore is eligible for the RDSH.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for both the RFAP and RDSH programs for state fiscal year 2016-17. The data used to determine the distributions of these funds are an average of the most recent three years' of data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Unmatched State funds resulting from having reached this aggregate limit will continue to be distributed proportionally to participating hospitals. If your facility is not owned by a county government and leased to a management company, please indicate that under the "Hospital Classification" section on the form and return it to us. **RE: State Fiscal Year 2016 - 2017

Dear Mr. Cannington:

Your hospital has been determined eligible to receive the associated payment under the Medicaid Rural Financial Assistance Program (RFAP) and the Medicaid Rural Disproportionate Share (RDSH) Program. These determinations are made based on the formulas found in section 409.9116, Florida Statutes. Additionally, eligibility for the RDSH program is based on your compliance with the requirements of federal law. This includes the certification you provided to this office that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

The data used to determine the distributions of these funds are an average of the most recent three years' data reported in accordance with section 408.061(4)(A), Florida Statutes, as specified in section 409.9116, Florida Statutes.

Federal regulations limit the amount of DSH funds a specific facility may receive and is referred to as a "general limit." No DSH provider may receive more than the facility's general limit amount during the course of a fiscal year. This general limit is calculated for each facility by the state and is determined by summing a hospital's inpatient and outpatient charity care costs and Medicaid shortfall. These restrictions apply to all hospitals in all DSH programs.

Payment to your facility under the RDSH program is at the maximum allowed by the general limit. Unmatched State funds resulting from individual facilities having reached their general limit, will continue to be distributed proportionally to those affected facilities. A separate special
