**May Monthly Actions: Agency Took Licensure Action against Six Providers,  
14 Additional Providers Terminated or Suspended from the Medicaid Program**

**Tallahassee, Fla.** – The Agency for Health Care Administration (Agency) issued final orders to four providers for failure to meet licensure requirements and two immediate moratorium on admissions in May.

There were two final orders to revoke an existing license and two final orders to deny a license renewal. Some of these providers were enrolled in the Medicaid program and the Agency has terminated or is in the process of terminating their participation in the program.

The Agency also issued an immediate moratorium on admissions to Lake Alfred Assisted Living & Retirement Home, Inc, an assisted living facility in Polk County, and one to Libra 85 LLC d/b/a Ocean View Manor, an assisted living facility in Volusia County.

In addition, six providers were issued a final order terminating them from participation in the Medicaid program and have been reported to the federal government for placement on the federal exclusion list, which prohibits them from participating in Medicaid and Medicare nationwide. The Agency also suspended eight providers from participation in the Medicaid program, prohibiting the providers from being paid for claims to the Medicaid program for furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services.

Agency Medicaid terminations and suspensions typically result from failure to return funds due to the Agency within required timeframes; a charge, indictment, or guilty plea to a health care related crime; suspension, termination, or exclusion from Medicare or Medicaid in another state; or a license denial, revocation, suspension or termination by the licensing agency.
