Re: Ad Hoc Request for Dental Provider Incentive Payment (DPIP) Program

The dental plan may be required to provide the Agency or its agents information or data relative to this contract. In such instances, and at the direction of the Agency, the dental plan must fully cooperate with such requests and furnish all data or information in a timely manner, in the format in which it is requested. The managed care plan must have at least thirty (30) days to fulfill such ad hoc requests unless the Agency directs the dental plan to provide data or information in less than thirty (30) days. The dental plan must certify that data and information it submits to the Agency is accurate, truthful, and complete in accordance with 42 CFR 438.606. (Attachment II, Section XVI.A.1.b.)

The Agency is developing a Dental Provider Incentive Payment (DPIP) Program and is requesting provider-level performance metric data from the dental plans for consideration in the development process. The dental plan must use the attached Dentist Performance Metric Ad Hoc Report template to submit the requested dental provider performance metrics for the timeframes specified in the instructions tab of the template. The dental plan must submit the completed ad hoc report to the Agency's secure file transfer protocol (SFTP) site in the AdHoc 2023 subfolder located within the dental plan's designated folder path. The dental plan must use the file naming convention "XXXyyyymmDentistPMCY2021", where "XXX" is the dental plan's three-character identifier, "yyyymm" corresponds to the four-digit year and two-digit month of the submission; and the fifteen-character identifier for this report: "DentistPMCY2021". The dental plan must submit the completed ad hoc report to the Agency by 5:00 p.m. EST on Friday, January 27, 2023.

If you have any questions, please contact your Agency contract manager.
