Dear Secretary Weida:

In accordance with Internal Auditing Standards, attached is a status update from the Division of Medicaid Operations and Contracts, Bureau of Contracts in response to our audit report AHCA-2122-03 published on April 12, 2022.

Management has indicated corrective action has been either initiated or completed for each of our report issues. A detailed description of all issues, recommendations, and management's responses can be found in the attached table. We will schedule another follow-up review in six months to assess the status of the efforts taken by the Division of Medicaid Operations and Contracts, Bureau of Contracts to correct all open issues.

If you have any questions regarding this report, please let me know.

Sincerely,

Brian P. Langston
Inspector General

2	Agency procurement policies, procedures, and quality assurance processes need to be updated and revised.	1. Our Office recommends the Agency revise and update relevant internal procurement policies and procedures.	<p><u>Status as of October 12, 2022:</u> The Bureau of Purchasing and Contract Administration (BPCA) is finalizing implementation of HB 1079 requirements and may draft a new policy for contract management requirements and continuing oversight teams. We are working to finalize our implementation strategy and compliance requirements within the coming weeks. BPCA is still in the process of reviewing Policy #4006 for necessary updates. We intend to fully update this policy by the end of the calendar year.</p> <p>In progress <u>Status as of April 12, 2022:</u> We concur and will update policy and procedures to reflect new statutory requirements that resulted from HB 1079 and other processes that have changed since the current policy was updated in 2015.</p> <p><i>Anticipated Completion Date: June 30, 2022</i> <i>Trey Collins, Bureau Chief Contracts and Procurement</i></p>	We are in the process of updating Policy #4006. We hope to start routing the updated policy for review in the coming weeks. Policy #4006 will focus on Purchasing. We are drafting a new policy that will focus on Contract Administration and Management, and will incorporate Policy #4028, Agency Agreement. HB1079 requirements will be included in this new policy.
