

Terms of Use

If you access any Agency resource requiring a login, you are accessing a restricted information system. By accessing that system, you are consenting to monitoring, recording, and agreeing to follow the Agency's policies regarding acceptable use, protection of information resources, and confidential health care information. All usage may be subject to audit. Improper, unauthorized, or illegal use of this computer is prohibited and may subject you to an investigation resulting in either disciplinary action in accordance with the Agency's standards, or possible civil or criminal penalties. Use of any Agency system with restricted access indicates consent to monitoring and recording.
