## Nursing Home Civil Money Penalty (CMP) Reinvestment Projects Frequently Asked Questions

1. **Question:** What are CMP Funds?

**Answer:** CMP stands for civil monetary penalty. These funds are collected by the Centers for Medicare and Medicaid Services (CMS) from nursing facilities (NFs), skilled nursing facilities (SNFs) and dually-participating skilled nursing facilities (SNFs) that have failed to maintain compliance with federal requirements. A portion of the funds are returned to States for use in activities for the protection and benefit of nursing home residents.

2. **Question:** How must these funds be used?

**Answer:** Sections [1819](#) and [1919](#) of the Social Security Act specifies that CMP funds paid by nursing homes may only be used for the benefit and protection of nursing home residents.

3. **Question:** Who may apply for CMP funds?

**Answer:** States may contract with, or grant funds to, any entity permitted under State law provided the funds are used for CMS approved projects to protect or improve nursing home services for nursing home residents and the responsible receiving entity is:

- Qualified and capable of carrying out the intended project(s) or use(s);
- Not in any conflict of interest relationship with the entity(ies) who will benefit from the intended project(s) or use(s);
- Not a recipient of a contract or grant or other payment from federal or state sources for the same project(s) or use(s);
- Not paid by a state or federal source to perform the same function as the CMP project(s) or use(s). CMP funds may not be used to enlarge or enhance an existing appropriation or statutory purpose that is substantially the same as the intended project(s) or use(s).

4. **Question:** Are there prohibited uses?

**Answer:** Yes. Please see the examples of prohibited uses in the [Allowable and Non-Allowable Uses of CMP Funds](#).

5. **Question:** How long can a project be?

**Answer:** There is no minimum requirement; however, projects cannot exceed three years.

6. **Question:** Is there an approval process?
