1.HCBS refers to Home and Community-Based Service

2. On a monthly basis, the Agency will pay each LTC plan a "final blended rate" by region. Starting Rate Year 2023-2024, the HCBS base rates will be risk adjusted and then be blended with the Non-HCBS base rate, based on each plan's monthly enrollment mix, adjusted by the agency-required transition percent. The Agency will send an email to LTC plans regarding each plan's actual final blended rate on a monthly basis.
