Performance Audit Report on 2021 Achieved Savings Rebate Financial Report

Medicaid Program Finance
Florida Agency for Health Care Administration

Auditee: Aetna Better Health of Florida Inc.

This report presents the results of the 2021 Achieved Savings Rebate (ASR) Financial Report performance audit conducted to address the audit objectives related to Aetna Better Health of Florida Inc. (the Plan) for the year ended December 31, 2021.

Thomas Howell Ferguson P.A. was engaged under the Contract MED218, as amended, dated November 1, 2021, to conduct the audit of the Plan's Managed Medical Assistance (MMA) Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, Long Term Care (LTC) Revenue and Expense Schedule – Summary, LTC Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit, and the Medical Loss Ratio Exhibit within the Annual ASR Financial Report. This performance audit report presents the results of our audit.

We conducted this performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objective.

Our audit objective was to evaluate the 2021 MMA Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, LTC Revenue and Expense Schedule – Summary, LTC Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit, and the Medical Loss Ratio Exhibit (collectively, the Schedules) within the Annual ASR Financial Report to determine the Schedules were prepared in accordance with Florida Statute 409.967(3) and ASR Financial Report Instructions, which include annual revenue, benefit and administrative expenses, and income or losses reported by the Plan. The results of this performance audit will allow the Florida Agency for Health Care Administration (AHCA) to comply with Florida Statute 409.967 to verify the Achieved Savings Rebate calculated by the Plan as well as Medical Loss Ratio (MLR) calculations. The Plan's Schedules have been included at Appendix B.

Accuracy, Allowability, and Reasonableness of Claimed Amounts

We noted the following exception regarding the accuracy, allowability, and reasonableness of amounts claimed in the Schedules within the ASR financial report for the year ended December 31, 2021:

LTC – Related-Party Transaction Schedule – Summary

Adjustment No. 01:

The amounts reported on the LTC – Related-Party Transaction Schedule – Summary omitted an amount for Aetna Medicaid Administrators (case management), resulting in a \$3,056,801 understatement of reported related-party expenses.

Achieved Savings Rebate Exhibit

Adjustment No. 02:

The Plan, based on its national enrollment statistics, qualifies as a large plan. The Plan used the small plan actuarially determined PMPM amounts within the calculation instead of the large plan amounts to calculate its LTC Administrative Expense Maximum. This results in an adjustment to line 4.0, Actuarially-Sound Administrative Expense Maximum of \$(331,890). This adjustment has a related effect on the calculation of the Preliminary Achieved Savings Rebate since the reported administrative expenses were based on the maximum allowed.

Achieved Savings Rebate

Florida Statute 409.967(3)(f) states that the achieved savings rebate is established by determining pretax income as a percentage of revenues and applying the following income sharing ratios:

- One hundred percent of income up to and including 5 percent of revenue shall be retained by the plan.
- Fifty percent of income above 5 percent and up to 10 percent shall be retained by the plan, and the other 50 percent refunded to the state.
- One hundred percent of income above 10 percent of revenue shall be refunded to the state.

Determined on this basis and using the adjusted amounts as discussed above and summarized in Appendix A, the Plan's calculated rebate due to the state is \$11,464,229. However, the final calculated rebate is to be determined by AHCA.

Medical Loss Ratio

42 CFR § 438.8 provides that the medical loss ratio is established by the following calculation:

1. Numerator: Total Benefit Expense after Reinsurance (Line 2.9) plus Total Florida-Specific Contributions (Line 3.3) plus Total of Defined Expenses Incurred for Improving Health Care Quality (Line 4.6) plus Deductible Fraud and Abuse Detection/Recovery Expenses – (MLR Only) (Line 5.0).
2. Denominator: Revenue Subject to MLR (Line 1.5).

Determined on this basis and using the adjusted amounts as discussed above, the Plan's calculated ratio is 84%. However, the final calculated ratio is to be determined by AHCA.

Conclusion

Based upon the performance audit procedures performed and the results obtained, the audit objective has been met. We conclude that, with the exception of the amounts previously described above, the Plan has prepared its 2021 MMA Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, LTC Revenue and Expense Schedule – Summary, LTC Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit, and the Medical Loss Ratio Exhibit in accordance with Florida Statute 409.967 and the ASR Financial Report Instructions, regarding accuracy, allowability, and reasonableness of claimed amounts for the year ended December 31, 2021 such that the Florida Agency for Healthcare Administration can validate the Plan's Achieved Savings Rebate and Medical Loss Ratio determinations. Our performance audit resulted in no changes to the 2021 Achieved Savings Rebate and Medical Loss Ratio calculations, other than those described above and summarized in Appendix A. We recommend AHCA consider the results of this audit in completing closeout procedures regarding the Plan's 2021 contract year.

This performance audit did not constitute an audit of financial statements in accordance with auditing standards generally accepted in the United States of America or *Government Auditing Standards*. In planning and conducting our performance audit of the ASR Financial Report, we considered the Plan's internal control associated with the completion of the Annual ASR Financial Report to determine the procedures that are appropriate in the circumstances for achieving the audit objectives, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control, or the Plan's financial management system.
