Medicaid Program Finance Florida Agency for Health Care Administration

Auditee: AmeriHealth Caritas Florida, Inc.

This report presents the results of the 2023 Achieved Savings Rebate (ASR) Financial Report performance audit conducted to address the audit objectives related to AmeriHealth Caritas Florida, Inc. (hereinafter referred to as "the Plan") for the year ended December 31, 2023.

Thomas Howell Ferguson P.A. was engaged under Contract 84111600-20-1 dated March 1, 2021, and MED218, as amended, to conduct the audit of the Plan's Managed Medical Assistance (MMA) Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit, and the Medical Loss Ratio Exhibit within the Annual ASR Financial Report. This performance audit report presents the results of our audit.

We conducted this performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objective.

Our audit objective was to evaluate the 2023 MMA Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit, and the Medical Loss Ratio Exhibit (collectively, the Schedules) within the Annual ASR Financial Report to determine the Schedules were prepared in accordance with Florida Statute 409.967(3) and ASR Financial Report Instructions, which include annual revenue, benefit and administrative expenses, and income or losses reported by the Plan. The results of this performance audit will allow the Florida Agency for Health Care Administration (AHCA) to comply with Florida Statute 409.967 to verify the Achieved Savings Rebate calculated by the Plan as well as Medical Loss Ratio (MLR) calculations. The Plan's Schedules have been included at Appendix A.

Accuracy, Allowability, and Reasonableness of Claimed Amounts

We noted no exceptions regarding the accuracy, allowability, and reasonableness of amounts claimed in the schedules within the ASR financial report for the year ending December 31, 2023.

Achieved Savings Rebate

Florida Statute 409.967(3)(f) states that the achieved savings rebate is established by determining pretax income as a percentage of revenues and applying the following income sharing ratios:

- 1. One hundred percent of income up to and including 5 percent of revenue shall be retained by the plan.
- 2. Fifty percent of income above 5 percent and up to 10 percent shall be retained by the plan, and the other 50 percent refunded to the state.
- 3. One hundred percent of income above 10 percent of revenue shall be refunded to the state.

Determined on this basis, the Plan's calculated rebate due to the state is \$34,545,798. However, the final calculated rebate is to be determined by AHCA.

Medical Loss Ratio

42 CFR § 438.8 provides that the medical loss ratio is established by the following calculation:

- 1. Numerator: Total Benefit Expense after Reinsurance (Line 2.8) plus Total Florida-Specific Contributions (Line 3.3) plus Total of Defined Expenses Incurred for Improving Health Care Quality (Line 4.6) plus Deductible Fraud and Abuse Detection/Recovery Expenses (MLR Only) (Line 5.0).
- 2. Denominator: Revenue Subject to MLR (Line 1.5).

Determined on this basis, the Plan's calculated ratio is 73%. However, the final calculated ratio is to be determined by AHCA.

Conclusion

Based upon the performance audit procedures performed and the results obtained, the audit objective has been met. We conclude that, the Plan has prepared its 2023 MMA Revenue and Expense Schedule – Summary, MMA Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit and the Medical Loss Ratio Exhibit in accordance with Florida Statute 409.967 and the ASR Financial Report Instructions, regarding accuracy, allowability, and reasonableness of claimed amounts for the year ended December 31, 2023 such that the Florida Agency for Healthcare Administration can validate the Plan's Achieved Savings Rebate and Medical Loss Ratio determinations. Our performance audit resulted in no changes to the 2023 Achieved Savings Rebate and Medical Loss Ratio calculations. We recommend AHCA consider the results of this audit in completing closeout procedures regarding the Plan's 2023 contract year.

This performance audit did not constitute an audit of financial statements in accordance with auditing standards generally accepted in the United States of America or *Government Auditing Standards*. In planning and conducting our performance audit of the ASR Financial Report, we considered the Plan's internal control associated with the completion of the Annual ASR Financial Report to determine the procedures that are appropriate in the circumstances for achieving the audit objectives, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control, or the Plan's financial management system.

This report is intended for the information and use of the Florida Agency for Healthcare Administration and management of the Plan. The report is not intended to be, and should not be, used by anyone other than these specified parties.

Performance Audit – 2023 Achieved Savings Rebate Financial Report

For the year ended December 31, 2023

BACKGROUND

Plan Overview

AmeriHealth Caritas Florida, Inc. (formerly Florida True Health, Inc.) (the Plan) was incorporated on December 19, 2011 for the purpose of providing prepaid managed care services to Medicaid enrollees in the state of Florida. The Company is an indirect wholly owned subsidiary of AmeriHealth Caritas Health Plan (ACHP). ACHP is a Pennsylvania partnership formed to develop and operate managed care business for Medicaid and Medicare enrollees.

The Plan contracts with the Florida Agency for Health Care Administration (AHCA) to provide healthcare services to eligible Medicaid recipients under the Statewide Medicaid Managed Care (SMMC) Managed Medical Assistance (MMA) program.

OBJECTIVE, SCOPE, AND METHODOLOGY

Objective

Our objective was to conduct a performance audit of the Plan's 2023 Managed Medicaid Assistance Revenue and Expense Schedule – Summary, Managed Medicaid Assistance Related-Party Transaction Schedule – Summary, the Achieved Savings Rebate Exhibit and Medical Loss Ratio Exhibit (collectively "the Schedules") within the Annual Achieved Savings Rebate (ASR) Financial Report. We evaluated the Schedules to determine whether amounts claimed were accurate, allowable, and reasonable in accordance with Florida Statute 409.967(3) and the ASR Financial Report Instructions, such that the Florida Agency for Healthcare Administration can validate the Plan's Achieved Savings Rebate and Medical Loss Ratio determinations.

Scope

We conducted our performance audit in accordance with *Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objective. The performance audit scope included quarterly, and year-to-date amounts reported by the Plan for the year ended December 31, 2023 considering revenue and medical benefits "paid dates" through March 31, 2024.

Our scope was limited to evaluating the claimed amounts reported by the Plan for the year ended December 31, 2023. We included the following components of the MMA revenue and expense summary schedules for accuracy, allowability, and reasonableness:

- Quarterly and annual revenue;
- Benefit and administrative expenses;
- Other income or losses;
- Pre-tax income (loss) reported by the Plan;

- Related-party expenses.

We included the following components of the ASR Exhibit for accuracy, allowability, and reasonableness:

- Annual revenue;
- Benefit and administrative expenses;
- Pre-tax income (loss) reported by the Plan;
- Pre-tax income (loss) as a percent of revenue; and

- Annual revenue;
- Benefit expenses;
- Florida-Specific Contributions;
- Improving Health Care Quality Expenses;
- Deductible Fraud and Abuse Detection/Recovery Expense; and
- The Preliminary Medical Loss Ratio.

This performance audit did not constitute an audit of the Plan's underlying financial statements and accounting records in accordance with auditing standards generally accepted in the United States of America or *Government Auditing Standards*. As such, as agreed by the Agency, the scope of the performance audit excluded the following items:

- Tests of any opening balances (accruals, receivable, and payables included in the prior year ASR Schedules which may impact prior calendar year adjustments in the 2023 ASR Schedules); and
- Tests of underlying data or transactions related to reported amounts allocated from a parent or other related entity, including but not limited to allocations included in medical benefits, administrative expenses, defined expenses improving health care quality, federal income taxes, and net investment income. We obtained an understanding of the allocation methodology used by the Plan, evaluated whether the allocations comply with administrative service or related party transaction agreements, if any, and agreed amounts to internal documentation.
