

**Durable Medical Equipment (DME) and Medical Supply Services
Provider Fee Schedule for All Medicaid Recipients
2025**

Each Florida Medicaid DME category is grouped into tabs along the bottom of the spreadsheet

Column Letter	Column Title	Details
A	Code	<ul style="list-style-type: none"> Healthcare Common Procedure Coding System (HCPCS) Code
B	Age	<ul style="list-style-type: none"> This column is the covered age range for the service.
C	Orthopedic Specialty (OS)	<ul style="list-style-type: none"> Florida Medicaid reimburses procedure codes identified with "OS" to physicians with an orthopedic specialty and durable medical equipment providers. Procedure codes not identified with "OS" are only reimbursable to durable medical equipment providers.
D	Maximum Fee	<ul style="list-style-type: none"> This column is the maximum amount that Medicaid will pay for the DME, medical supply, or orthotic or prosthetic device. The fee listed is the unilateral, single item or each unit, unless otherwise specified in the description. The maximum fee for ostomy supplies is per stoma or per fistula, unless otherwise specified. When there is no maximum fee listed (0.00), the procedure code is considered "non-classified" and the provider must request prior authorization or submit a By Report claim, as identified on the fee schedules.
E	Rental Only (RO)	<ul style="list-style-type: none"> RO means the equipment will remain the property of the provider and a monthly fee will be reimbursed during the authorized medically necessary time frame.
F	Rental Amount	<ul style="list-style-type: none"> This column identifies the monthly amount that Florida Medicaid reimburses for rental only and rent-to-purchase items.
G	Daily Rental (DR)	<ul style="list-style-type: none"> This column identifies that Florida Medicaid's rental amount is reimbursed on a daily basis rather than per month.
H	Units	<ul style="list-style-type: none"> This column indicates the number of units that may be billed for dates of service within the same month. The provider may bill for up to a one-month's supply for a single billing date, based on the recipient's medical need.
I	Manually Priced (MP)	<ul style="list-style-type: none"> This column indicates that the reimbursement rate must be negotiated between the provider and the Agency's contracted quality improvement organization.
J	Bundled Code (BC)	<ul style="list-style-type: none"> This column indicates that Florida Medicaid's rental amount includes reimbursement for all necessary supplies required to operate the equipment throughout the entire rental period. Providers cannot bill for these items separately and must provide replacements when necessary.
K	By Report (BR)	<ul style="list-style-type: none"> This column identifies a "non-classified" procedure code that requires a medical review to approve and price the procedure correctly.
L	Prior Authorization (PA)	<ul style="list-style-type: none"> This column identifies the procedure codes that require prior authorization by the Agency's fee-for-service delivery system Quality Improvement Organization (QIO) vendor before the service is performed, including any requests to exceed limits or request services not listed on the fee schedule (E1399).
M	Time Limited Rate	<ul style="list-style-type: none"> This column identifies codes assigned a temporary rate due to specific circumstances (e.g., state of emergency, supply shortage, etc.).
N	Limit	<ul style="list-style-type: none"> The number in this column shows the maximum limits for a procedure code.

Ostomy, Wound Care, and Diabetic Supplies

QIO Prior Authorization Pricing Reference Guide

The below codes, descriptions, and reimbursement rates are used by the Agency's fee-for-service delivery system Quality Improvement Organization (QIO) vendor for pricing purposes only.

These codes are not separately available through the DME program. Fee-for-Service providers will be reimbursed for codes submitted in conjunction with custom wheelchair and wheelchair repair requests.
