### Electronic Filing for Federal 2-Hour/Immediate and Five Day Reporting

### Bureau of Field Operations Division of Health Quality Assurance

### Reporting Requirements

- Nursing Homes are required by the federal government, specifically section 483.12, CFR, to report and investigate all allegations of abuse, neglect, exploitation, or mistreatment, including injuries of unknown source, and misappropriation of resident property, to the State Agency.
- Nursing Homes must submit a 2-Hour/Immediate Report and a follow up Five-Day Report to the Agency for Health Care Administration.
- Reports of suspicion of crime against the elderly may also be reported using this system. The facility should notate that within the report.

### Online System

- As of January 26, 2011, Online Reporting is available to all providers
- Each facility is allowed up to five <u>unique user IDs</u>, all of whom will have individual passwords.
- Multiple users will allow an alternate person to complete the five day report, in case the first person is not available to complete it timely.
- Although not required to be submitted online, we <u>strongly</u>
  encourage facilities to utilize the online Nursing Home Reporting
  System to submit the 2-Hour/Immediate, Five-Day, and Suspicion
  of Crime Reports.
