**Diagnosis Related Group (DRG) Hospital Inpatient Payment Review
Governance Meeting ~ September 18, 2012
10:00a.m.-11:45a.m.**

Meeting Summary

The Agency is making decisions on the inpatient hospital DRG conversion process using a Governance Committee model. This committee has been formed and held its second meeting on September 18, 2012. The decisions that have been made are outlined below.

Decisions from September 18, 2012 meeting:

1. For initial simulation models, use national relative weights re-centered to 1.0 based on Florida Medicaid casemix;
2. Agreed to examine how IGT would be affected if tied to DRG acuity; and
3. Consider provider policy adjustors for rural, rehab, and long-term acute care (LTAC) providers.

The next Governance Committee meeting will be tentatively held the week of October 8, 2012.
