Date				
Provider Name				
Provider Representative Name				
Address				
Reviewer Name				

All standards are in accordance with Title 42, Code of Federal Regulations, section 441.301.

1. Community Integration					
Standard	-	Standard Met / NOT MET /		Comments	Methods
1.1 The setting's common areas are accessible and traversable. Expectation: Recipients are able to make their way through the hallways, doorways, and common areas with or without assistive devices. Supports are available to recipients who require them.	MET	NOT MET	N/A		Observation. Discussions with recipients.
1.2 The setting is among community resources accessible to the same degree of access as recipients not receiving Medicaid HCBS. Expectation: Settings should be in appropriate community settings similar to those not providing HCBS.	MET	NOT MET	N/A		Discussion with provider.
1.3 The facility aids recipients who wish to pursue competitive employment in the community. Expectation: Recipients have the ability to seek and gain competitive employment in the community.	MET	NOT MET	N/A		Discussion with provider. Discussions with recipients.

2. Respect/Rights/Choice					
Standard	Standard Met MET / NOT MET / N/A			Comments	Methods
2.1 Recipients are presented with setting options and have freely selected the current setting. Expectation: Service setting should be chosen by the recipient and detailed on the care plan.	MET	NOT MET	N/A		Discussions with recipients.
2.2 Recipients (if applicable) are part of the personcentered planning process. Expectation: Recipients and/or their representatives are active participants in the planning process.	MET	NOT MET	N/A		Discussion with provider. Discussions with recipients.
2.3 The setting optimizes choices, including but not limited to daily activities, physical environment, and with whom to interact. Expectation: The service encourages and supports recipient autonomy and choice.	MET	NOT MET	N/A		Discussion with provider. Discussions with recipients.
2.4 Recipients can bring their own personal items into the setting, e.g., money, food. Expectation: Recipients have the option to bring their own money and food and can access them as necessary.	MET	NOT MET	N/A		Observation. Discussion with provider. Discussions with recipients.
2.5 Recipients keep/control of their own personal items, e.g., money, food. Expectation: Recipients have the option to keep their own money and to control their personal items.	MET	NOT MET	N/A □		Discussion with provider. Discussions with recipients.

2. Respect/Rights/Choice

Standard		Standard Met	N/A	Comments	Method
2.6 The setting promotes a recipient's rights of privacy, dignity, and respect, and freedom from coercion and restraint. Expectation: Confidential information about the recipient should be maintained in a secure file with only appropriate staff provided access to this information. Staff should be trained in service provision without coercion or loss of the recipient's privacy, dignity, respect or restraint. Recipients are given privacy.	MET _	NOT MET	N/A		Observation. Discussion with provider. Discussions with recipients.
2.7 Recipients are treated respectfully by the staff? Expectation: Staff treats recipients in a dignified manner.	MET _	NOT MET	N/A		Observation. Discussions with recipients.
2.8 Recipients know how to file an anonymous complaint. Expectation: Information is available to recipients on how to file an anonymous complaint. Telephone numbers for the Agency Consumer Complaint Hotline, Long-Term Care Ombudsman, and the Abuse and Exploitation Hotline are posted in a common area of the facility.	MET	NOT MET	N/A		Discussion with provider. Discussions with recipients.
2.9 Restrictions are identified, documented and based on the recipient's needs and preferences. Expectation: The service setting should not unduly restrict a recipient.	MET	NOT MET	N/A		Discussion with provider. Discussions with recipients. Record review.
