

# **Dental Care for Children Subcommittee**

**Tuesday July 14, 2015**

**AHCA Conference Room D**

## **Team Leads:**

Erica Floyd-Thomas

Pam Hull

## **Attendees:**

Casey Stoutamire – Florida Dental Association Lobbyist

Doug Manning – DentaQuest

Joanne Weatherwax – Volusia County Health Department

Dr. Edward Zapert – Department of Health

Topics moving forward:

- Oral health action plan – feedback
- Health access setting billing
- Examining the fee schedule – identifying procedure codes currently in place on the fee schedule
- Dental informing letter – to parents and guardians about children’s dental benefits

Discussions for the October 13 MCAC meeting:

- Quality measures for plans
- PIPs related to dental for plans
- We need to determine which interventions AHCA will undertake and study to see if they have an impact.
- School based dental programs – how to actively implement.
- FFS population dental informing letter (plans already required to do this)

CMS 416 results to discuss at next face-to-face (currently @26%, goal is 28% by 9/30/15)

ICD codes and education for providers; currently testing with plans how to accept codes.

## **Adjourn:**

At 1:58 p.m. the meeting adjourned.
