

Physician Radiology Services Fee Schedule  
Effective January 1, 2014

The fees below are reimbursed for services provided to adults age 21 and over. For services provided to children under the age of 21, there is a 4% increase over the adult fee. To calculate reimbursement for services to children, multiply the base fee by 1.04. Example: \$83.39 X 1.04 = \$86.73.

In addition to the 4% increase noted above, the following physician specialty types receive a 24% increase for services provided to children under 21: 02, 03, 04, 05, 08, 10, 14, 15, 17, 21, 23, 29, 30, 31, 36, 37, 38, 39, 43, 46, 51, 53, 55, 57, 58, 60, 62. to calculate the specialty fee, multiply the base fee by 1.04, as noted above for children, and then multiply that result by 1.24. Example: \$83.39 X 1.04 = \$86.73 X 1.24 = \$107.54. The same method applies to the Base PC Fee and Base TC Fee. Fees are rounded to the nearest

Only certain modifiers are listed on these fee schedules for pricing purposes. Other modifiers used for billing with these codes are defined in the Florida Medicaid Coverage and Limitations Handbooks, and are allowable as appropriate, using correct coding principles.

Note: Reimbursement increases noted above do not apply to the following services: Regional Perinatal Intensive Care Center services, injectable medications, immunizations, supplies, devices, and laboratory/pathology services.
