June 18, 2021

### Provider Type(s): 24

### Florida Medicaid COVID-19 Flexibilities for PPEC Centers Effective July 1, 2021

The State of Florida has led the national effort to distribute COVID-19 vaccines and now maintains a sufficient supply of COVID-19 vaccines for every eligible Floridian who desires to be vaccinated. The data demonstrates that Florida is positioned to transition to pre-pandemic activities.

In March 2020, Florida Medicaid provided guidance on flexibilities offered to Prescribed Pediatric Extended Care (PPEC) centers.

**This policy guidance notifies providers that the following flexibilities will end effective July 1, 2021.**

Temporary authorization for in-home PPEC services: In March 2020, Florida Medicaid temporarily authorized PPEC centers to deliver services to Florida Medicaid recipients in the home setting. Effective July 1, 2021, this flexibility is no longer available.

For questions or further information, providers can call the Florida Medicaid Helpline at 1-877-254-1055.
