### Re: Ad Hoc Request for Early Intervention Services (EIS) Provider Network Report

The managed care plan may be required to provide the Agency or its agents information or data relative to this contract. In such instances, and at the direction of the Agency, the managed care plan must fully cooperate with such requests and furnish all data or information in a timely manner, in the format in which it is requested. The managed care plan must have at least thirty (30) days to fulfill such ad hoc requests, unless the Agency directs the managed care plan to provide data or information in less than 30 days. The managed care plan must verify that data and information it submits to the Agency is accurate. (Attachment II, Section XVI.A.b.) The purpose of this policy transmittal is to inform the managed care plan of an ad hoc request for provider network information on early intervention services (EIS).

The managed care plan must submit the EIS provider network ad hoc report to the Agency on a weekly basis:

- Using the report template attached to this policy transmittal, in accordance with the instructions tab in the template;
- Basing the report on the EIS providers serving the list of enrollees provided by the Agency to the managed care plan on February 15, 2019; and
- Submitting the EIS provider network report to the Agency **by noon, Eastern Time, every Friday starting March 1, 2019 through April 26, 2019.**

If you have any questions, please contact your Agency contract manager at (850) 412-4004.

Sincerely,

Shevaun Harris  
Assistant Deputy Secretary for  
Medicaid Policy and Quality
