Re: Achieved Savings Rebate Financial Reporting

The managed care plan and the dental plan must submit the quarterly and annual Achieved Savings Rebate (ASR) Financial Report in accordance with Section XVI. Reporting Requirements, and the SMMC Managed Care Plan Report Guide. (Attachment II, Section XII.F.1.a.) The purpose of this policy transmittal is to provide the managed care plan and the dental plan with a revised ASR Financial Reporting template.

The managed care plan and the dental plan must use the revised ASR Financial Report template attached to this policy transmittal beginning with the third quarter (Q3) of 2019, as well as for all quarterly and annual reporting thereafter. This revised ASR Financial Report template includes an updated Medicaid Loss Ratio (MLR) exhibit, required based on the [Centers for Medicare & Medicaid Services Informational Bulletin issued May 15, 2019: Medical Loss Ratio \(MLR\) Requirements Related to Third-Party Vendors](#) that is attached to this policy transmittal. Revisions to the ASR Financial Reporting are listed in the 'Changes' tab of the report template.

If you have any questions, please contact Ms. Eileen Lin in the Bureau of Medicaid Program Finance by calling (850) 412-4017.

Sincerely,
