SYMBOL				
I.D. #		This is a 4-digit identification number which was assigned by the CON office to hospitals opened prior to January 1, 1997. This number will stay with the facility through name changes, mergers, etc., for history tracking purposes. Satellite hospitals were given the same number as the parent hospital. If two hospitals merged and received approval from licensure to be considered one hospital (i.e., both facilities are located on contiguous acreage), then the 4-digit number of the main hospital has survived and the other 4-digit number has been retired. Effective January 1, 1997, all existing and newly licensed facilities are tracked using the unique AHCA facility number assigned by the licensure office.		
AHCA #		This is a 6 or 8 digit unique AHCA facility number assigned by the licensure office.		
Class		This refers to the licensure class of the facility. The license class can be either a 1, 2, 3, or 4 IRTF (Intensive Residential Treatment Facility).		
T		Denotes a statutory teaching hospital.		
R		Denotes a statutory rural hospital.		
()		Bed totals in parenthesis () refer to state operated beds.
