Statewide Medicaid Managed Care (SMMC) Policy Transmittal: 2022-04

Applicable to the following benefits in the **2018-2023 SMMC contract**:

- Managed Medical Assistance (MMA) and MMA Specialty
- Long-term Care (LTC)
- Dental

Re: Updated MMA Physician Incentive Program (MPIP) Requirements Year 6 Effective January 1, 2022 and Delayed Submission of MPIP Year 7 Proposals

Pursuant to s. 409.967(2)(a), F.S., and as specified by the Agency, MMA plans must implement an incentive program wherein payment rates for eligible physicians must equal or exceed Medicare rates for services provided. The Agency fulfilled this requirement through implementation of the MMA Physician Incentive Program (MPIP). (Attachment II, Exhibit II-A, Section VIII.E.1.) The managed care plan must submit a proposal to the Agency for review and approval by April 1 of each year (in a format prescribed by the Agency) identifying the qualifying criteria (performance and quality measures) that each physician type must meet in order to earn the enhanced payment, beginning October 1 of the upcoming Contract year. (Attachment II, Exhibit II-A, Section VIII.E.1.c.) The purpose of this policy transmittal is to notify the managed care plan about an update to the MPIP Year 6 parameters and delayed submission of MPIP Year 7 proposals.

2022 MPIP EM Procedure Code Medicare Rates Effective January 1, 2022

The Medicaid fee schedule includes pediatric evaluation and management codes that are not listed on the Medicare fee schedule. For the purpose of reimbursing MPIP-qualified providers for the pediatric evaluation and management codes included in the MPIP, but not listed in the Medicare fee schedule, the managed care plan must use the rates included in the list of Children's Primary Care Codes attached to this policy transmittal, as the 2022 Medicare rates for services provided January 1, 2022 and later.

The managed care plan must program its billing systems to make these payments beginning no later than June 1, 2022 and reprocess MPIP-qualified provider claims paid prior to the pricing updates of its billing systems by August 1, 2022.

MPIP Year 7 Proposals

The managed care plan is not required to submit an MPIP Year 7 proposal to the Agency by April 1, 2022. Additional information from the Agency regarding MPIP Year 7 is forthcoming.
